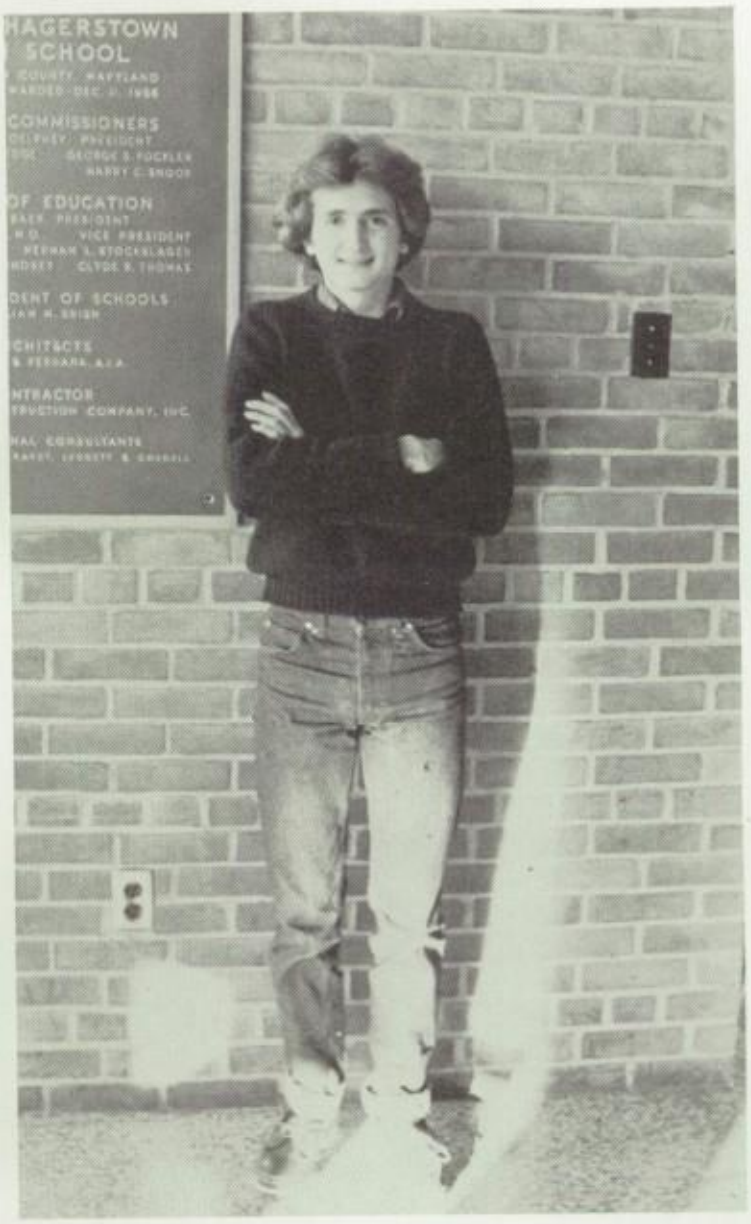
CLASS OF 82

The Junior Class worked diligently toward their Prom with such fund raisers as candy bar sales, concession stands at Soccer and Basketball Games, and many bake sales. The Class of '82 participated in pep-assembly skits and won the hall decorations contest during Spirit Week. Under the supervision of Howard Guth Advisor, president Rob Hovermale directed the Class through a prosperous year.



Top right, President Rob Hovermale. Top left, Vice-President Peggy Wilson, Secretary Cheryl Weigand, Treasurer Kevin Herbert. Bottom, Junior Class Cabinet back row, Jeff Reedy, Rob Hovermale, Carrie Whiteley, Sam Hiser, Denise Conrad, Mike Baer, Vicki Lisi, Laurie Dieterich, Ivy Ballard, Nancy Enterline; middle row, Peggy Wilson, Sharon Cruttenden, Diane McGaha, Cheryl Weigand, Lisa McDonald, Laura Eshelman, Jolee Kearns, Boo Baer; front row, Tracy Concaugh, Cindy Clopper, Alecia Russo, Julie Martin, Michele Thrasher, Kevin Herbert.

INTRODUCING . .

Top left, Sharon Manspeaker learns typing skills upstairs. Center left, Mechanical Drawing IV student, Gordon Cruickshanks, builds future garage model. Top right, Industrial Arts facility provides experience for Carl Brown. Bottom right, Library aides, Terry Pallidino, Amy Posch, and Bill Dagenhart, take a break before Miss Debra Thomas puts them to work.

The business students got a lot of exercise throughout the year. Everyday they traveled up the stairs to the second level of North High. This business area was unknown to many other Hubs. Typing, Mechanical Drawing, and Secretarial Labs all took place in this business territory. Industrial Arts took place in Unit-G outside the left part of the gym. The students in Mechanical Drawing IV were given the opportunity to blueprint houses, garages and other ideas which are used for actual construction. The Business courses are both for vocational and personal purposes and can help students in their careers as well as in school.

The library took on a new look through the efforts of the new librarian Miss Debra Thomas and her aides.

GIFTED AND TALENTED

Twenty seniors from North High participated in the Gifted and Talented Internship program this year. After being selected to participate, under the direction of Leslie Hobbs and William Kercheval, the students chose their field of interest and were paired with a community mentor in that field. Through the help of advisor, Erdine Williams, times were set up for students to work with their mentors. Students were involved in fields ranging from education to medicine to communications to law to merchandising. The program, which is county wide, was designed to give students an opportunity to get first-hand experience in possible future careers.

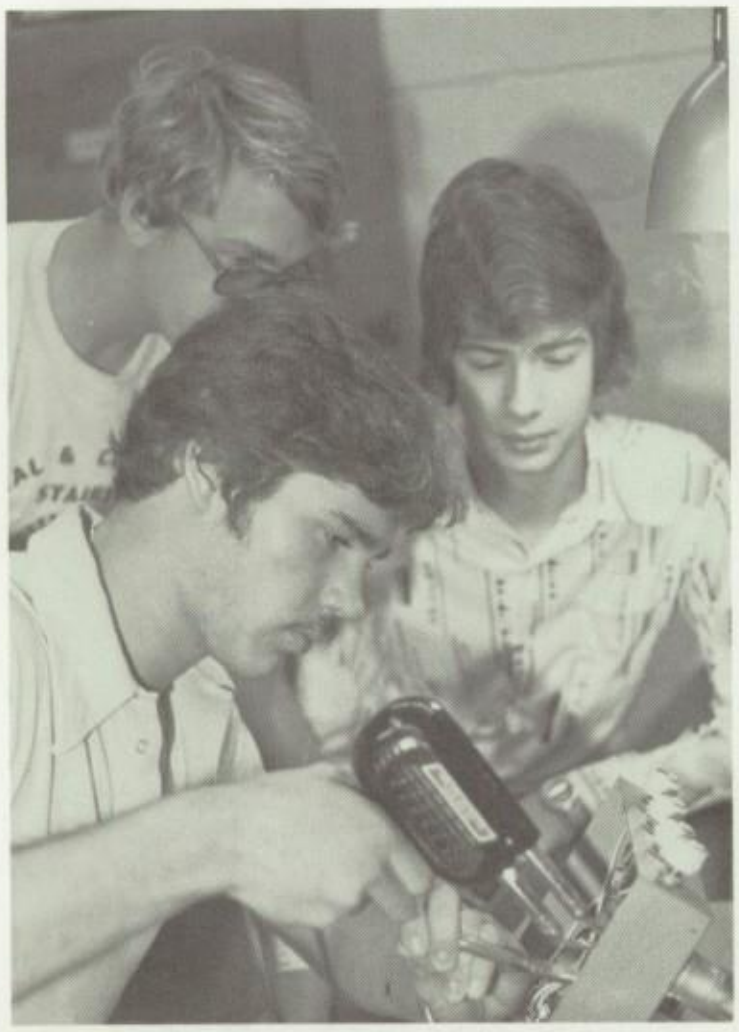
Top, Gifted and Talented interns: First row, Advisor Mrs. Erdine Williams, Jenni Margin, Mari Maruyama, Karen Lyles, Jane Angle, Yasmin Puthawala, Linda Flannery, and Lori Grimm; second row, Derrick Herbst, Brian Kurtyka, Jeff Baker, Stacey Hall, Mark Shawyer, Barb Bear, Dean Robucci, and Scott Bigelow.

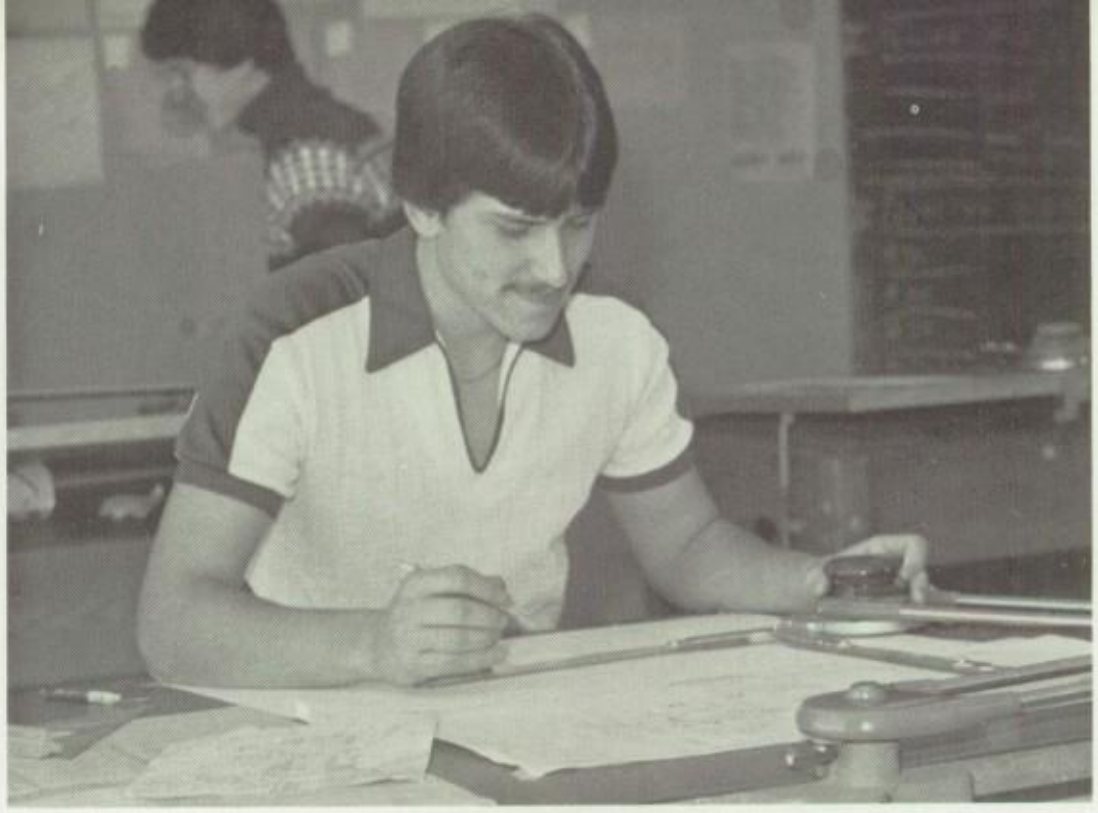
ALL-COUNTY CHORUS

Every year North Hagerstown is one of the High Schools that enters selected students into the All-County Chorus. All-County Chorus has been held at North for the past three years, each year being just as successful as the past. The students who were selected from North High were mostly from the Chorus; however, those who weren't did have to try out.

The students have gained the experiences of being on stage and of singing with many other county High School students.

Bottom, Selected All-County Chorus students: row one, Kim Fowlkes, Laura Kisel, Roxanne Weeks, Meri Zimmerman; row two, Sevinc Odgers, Shelly Miller, Beverly Burger, Diane Sommerfeld, Colleen Klomp; row three, Mark Shawyer, Barry Thurston, Tim Shriver, Tony Nigh, Joel Mayer, John Shillingburg, Shawn Rhodes, Vinny Carter.





VO-TECH

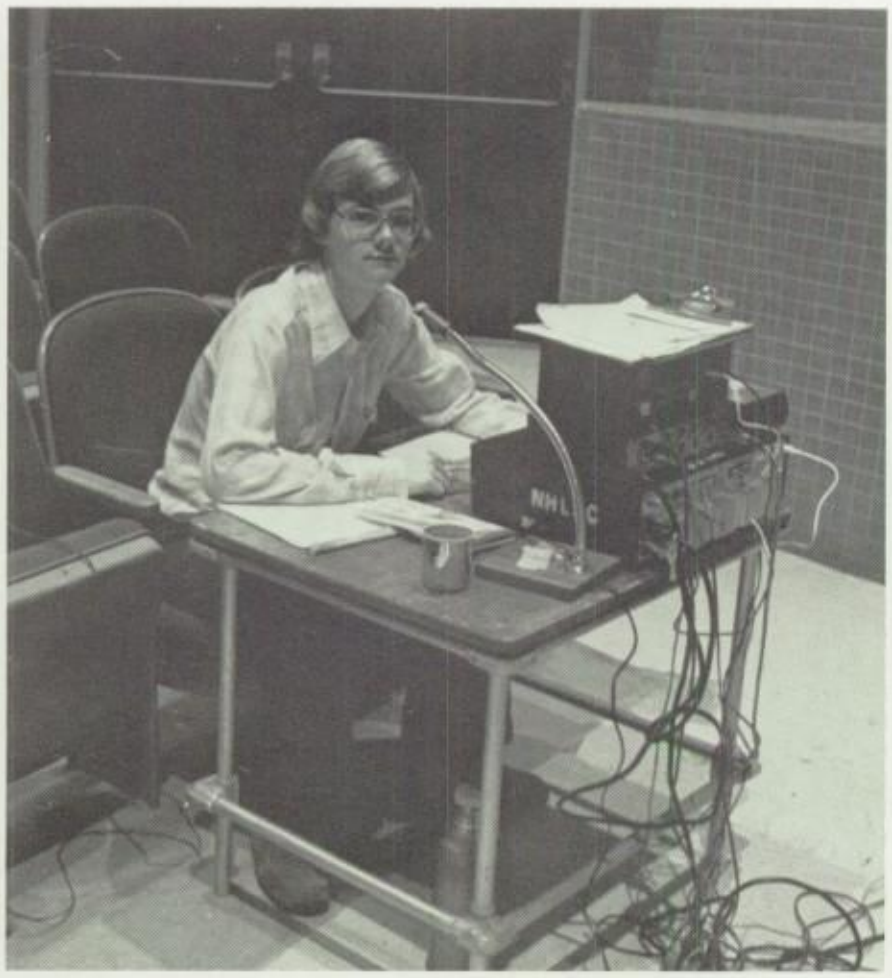
Approximately 190 Hubs received part of their education at the Career Studies Center this year. Juniors attended the Center during the second semester while seniors spent the first semester there. The Center provided practical experience for students in fields ranging from commercial art to practical nursing to auto mechanics. Mr. Robert Lockbaum feels this is excellent for students not planning to attend college. Seniors leave the Career Studies Center with enough experience in their fields to begin work on their careers.

Left, Jeff Hamilton works on layout for commercial art class. Center, North High's Career Studies Center students. Bottom left, Printers Bryson Hart and Marshall Branch learn the trade. Bottom right, Future electricians George Carpenter and Robert Mowen complete assignment.
OPPOSITE PAGE: Top left, Close technical work proves no problem for Daniel Ruth, Scott Wishard, and Jeff Haarer. Top right, Chris LaPole tries his hand at mechanical drawing. Center left, Joel Mayer strives for perfection. Center right, Cleaning up after a hard day's work is Mary Usary. Bottom, In preparation for a commercial art project, Regina Stoner cuts paper.

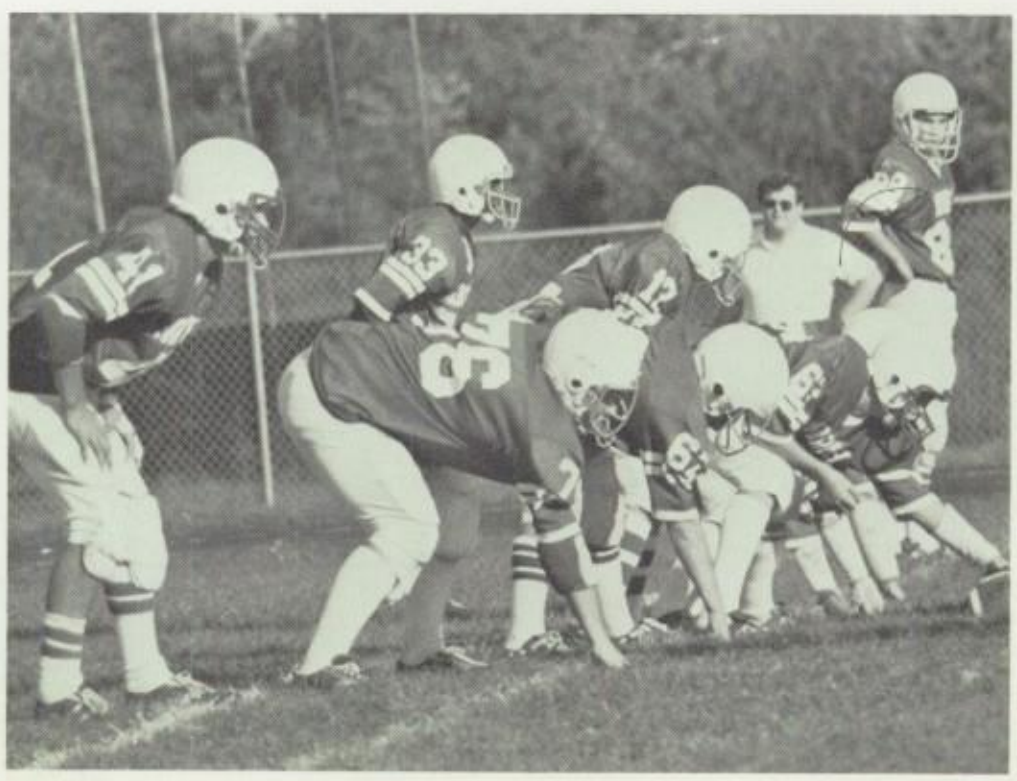
WORK

A main part of school life is the work involved. Class work, homework, tests, and reports fill many hours. The long, dreadful math problems and the multitude of equations provide frustration for all who encounter them. However, all work isn't so frustrating. Work on Spirit Week, lighting, and athletic events brings enjoyment and satisfaction for those involved. A job well done is it's own reward.

Top right, Directing class is Mrs. Sweeny. Left, Art students concentrate on their drawings. Bottom right, Diligent Juniors, Kelli Oliver, Doug Shatzer, and Rob Hovermale add spirit to the hall.



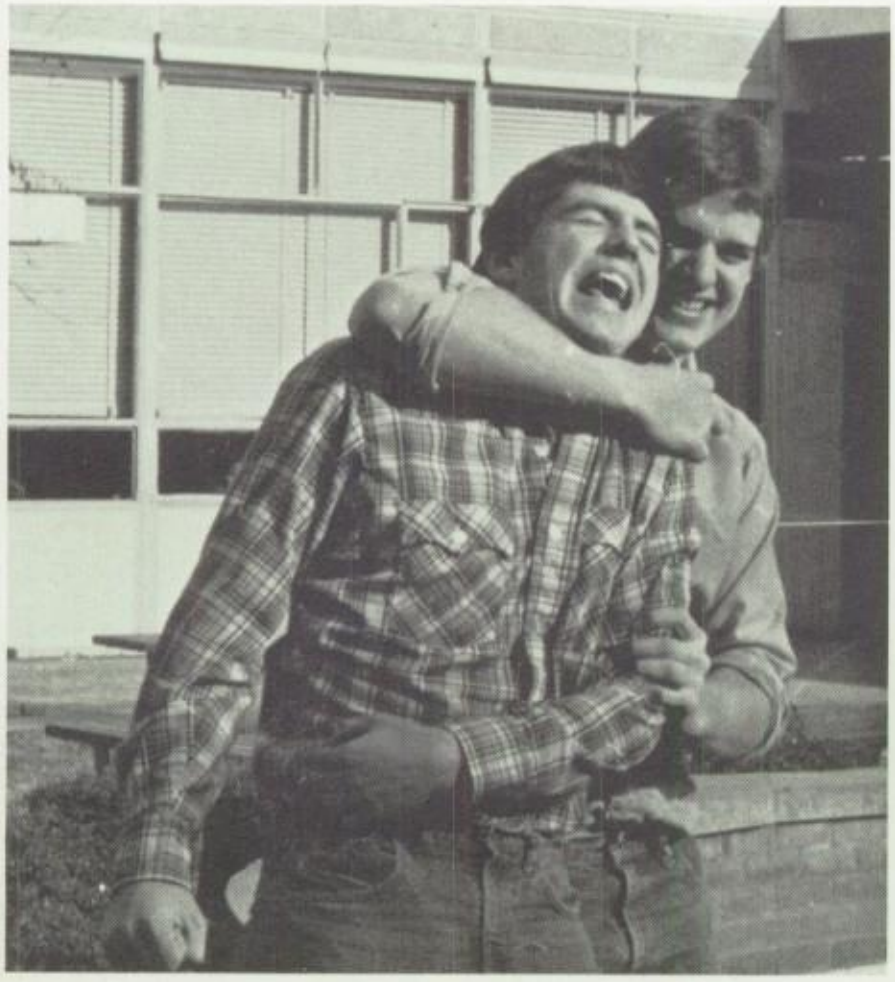
Top left, Phil Benchoff looks up from his work. Center right, Mike West finds carpentry involves a lot of work. Center left, With the use of brain power and a calculator, Jeff Boger achieves Physics' success. Bottom left, Students work on career plans in the counseling center. Bottom right, Football may be play for the spectators, but it's constant work for the players.



PLAY

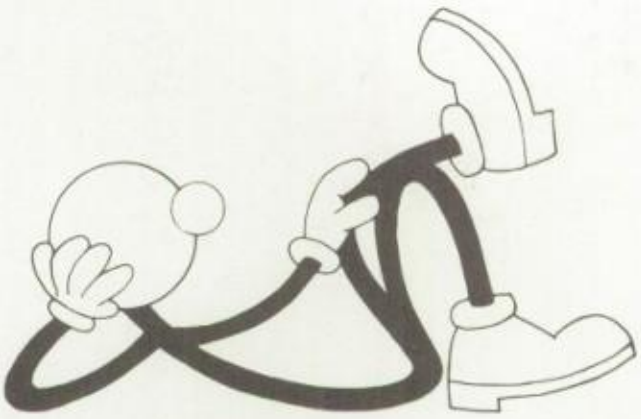
Left, Playing the trumpet is enjoyable for Joel Guyton. Top right, Nothing like a little romance to liven up the day for Diane Magaha and Scott Pekar. Bottom right, The Girls' Basketball game provides entertainment for Hub fans.

Though many people think of work when they think of school, Hubs find plenty of time for play throughout the year. From dances to games to original antics, school definitely isn't all work.



Top left, Tim Palkovitz has Tom Murdock in a death grip. Center left, Bobbi Kretzer, Mike McCauley, Joe Jefferson, Tammy Thomas, Quinn Keefauver show their best faces. Center right, "Was I supposed to hit that?" wonders Gary Wantz. Bottom left, Jamie Grandstaff and Wendy Bowers enjoy a fall afternoon soccer game. Bottom right, Tom Hasse, Phil Wright, and Barry Thurston introduce Brian Kurtyka to the bushes.

REST



Top left, Brenda Ryan takes advantage of telephone on way to class. Center left, Julie Martin and Alicia Russo practice their karate hand movements. Center right, students gather during lunch break to spread the daily gossip. Bottom right, Lynne Fisher, Jeff Mussolino, and Chip Bond pose for "Our Town" publicity photo. Opposite page; top, outside benches provide resting place and fresh air for lounging Hubs. Bottom left, Radiators make nice benches for Nelson Ecstein, Greg Patterson, Jamie Snyder, and Zeb O'Boyle while Mr. Zonis looks on. Bottom right, A little relaxation in the lunchroom is enjoyed by senior girls.

After all the work and all the play, it's time for a little rest and relaxation. Cross-corridors, the fountain, and the benches are the most popular, common resting places. Just sitting and talking with friends is the most enjoyable type of relaxation for many Hubs. Lunch time provides a precious half hour away from the classes and teachers in which students can socialize, eat, and take a well-deserved and long-awaited break. Teachers have their own private sanctuary called the teachers' lounge, where they can meet with fellow teachers and spend a few quiet moments. However, the greatest relaxation for all is going home after a long day and stretching out on the sofa with a favorite snack.

Top, Awaiting pass from Brian Kurtyka, Chris Sasse prepares for play. Center, Henry Garazo tries to catch the goalie off guard. Bottom, Battling Rebel for possession of the ball is Paul Ollen.

"It was a frustrating season. There were games that I knew we should have won, but didn't," claimed Varsity Soccer Coach John Davidson.

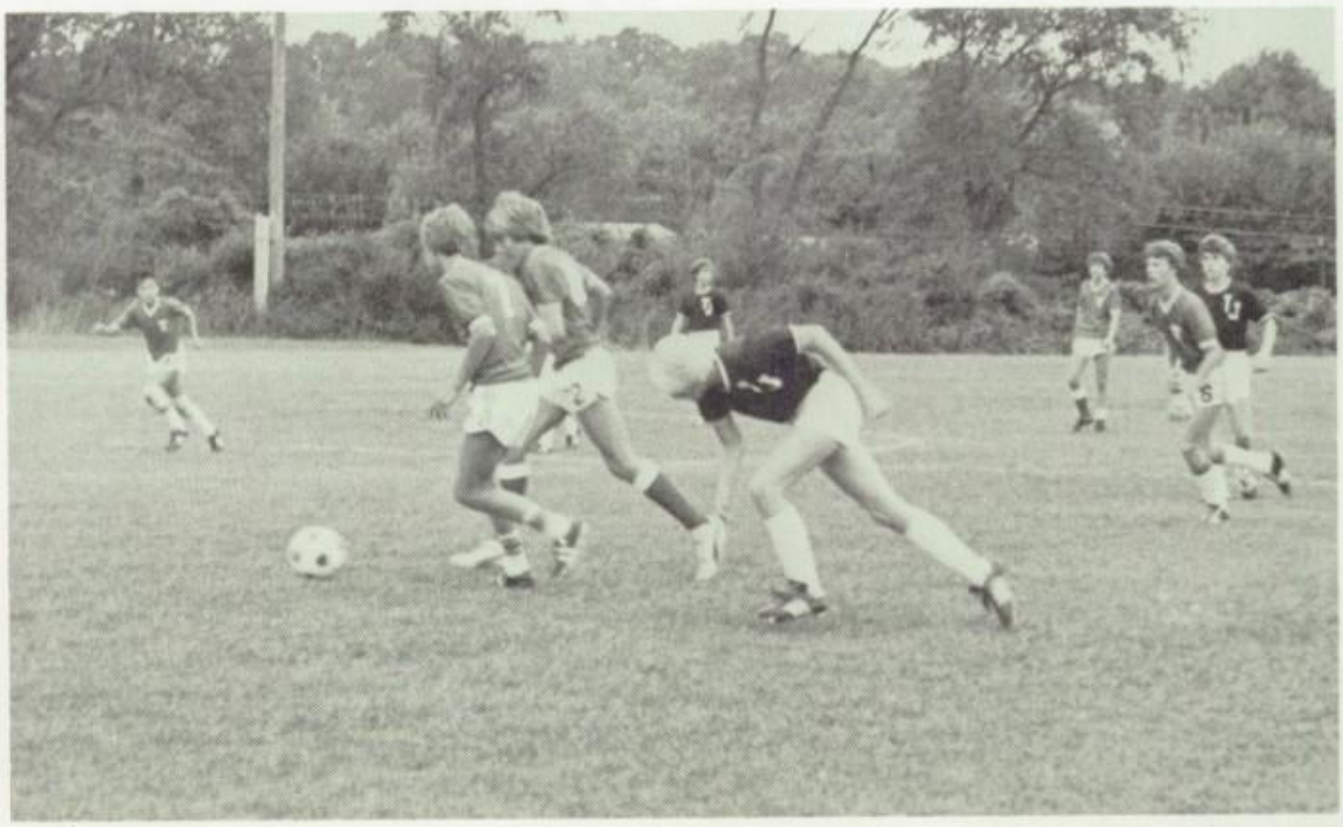
Under the leadership of Co-Captains Jason Humelsine and Steve Cardenas, the team ended the season with a 5-7 record. The second game of the season, a victory over Thomas Johnson, ended a 13 game losing streak.

This year's Hubs changed to a man-to-man defense from a zone defense. Also, the influence of Pablo Riestra, a visitor to North from Spain, was an aid to the team.

As the season progressed, inconsistency and lack of determination plagued the Hubs. Although the Hubs lost to TJ in a shoot-out, they defeated Williamsport in overtime. An accomplishment of the team was a 2-1 victory over Clear Spring, one of the toughest teams in the area.

Coach Davidson hopes to see improvement in the attitudes of the team members next year. With this change, the Hubs should have a promising season.

JV SOCCER TEAM



The Junior Varsity Soccer Team finished the season with no losses. This created pride among the team members.

"No game was easy, but the most difficult was TJ, because it was the first of the season," stated Coach Doug Grove. In the Thomas Johnson game, members tried to work as a team instead of individuals. The 2-0-6 record was attributed to the refined skills of the Freshmen. "More of the freshmen had been involved in Junior League Soccer, so their skills were better," claimed Coach Grove.

The team is looking forward to a successful season again next year.

The 1980 Hubs opened the season with style, as they defeated Boonsboro, 22-0. However, a tough line-up faced the gridders. After a loss to Martinsburg, the Hubs faced Allegany, their toughest competitors.

One of the highlights of the season, according to Head Coach Ray Montini, was an exciting victory over Fort Hill. This was North's first win over the Sentinals since 1961. After this important victory, Thomas Johnson fell victim to North also.

As the season wound to a close, competition got the better of the Hubs. But after a busy Spirit Week, they were ready for South High. The gridders had to hold the Rebels on the 1-yard line in the last minute to preserve their 10-6 lead. After this victory, the team finished with a 4-6 record. "Overall, it was a successful season," summed up Coach Montini.

Other members of the coaching staff include Greg Slick, Joe Dietrich, Tim McNamee, Steve Grove, Chuck Whitt, and Jeff Barnhart.

Leaders of the team were Co-Captains Randy Brown, Dave Scriever, and Jeff Miles. The 1980 Hubs were a determined and spirited group. Although they dropped several games, outstanding performances were seen in many of the games.

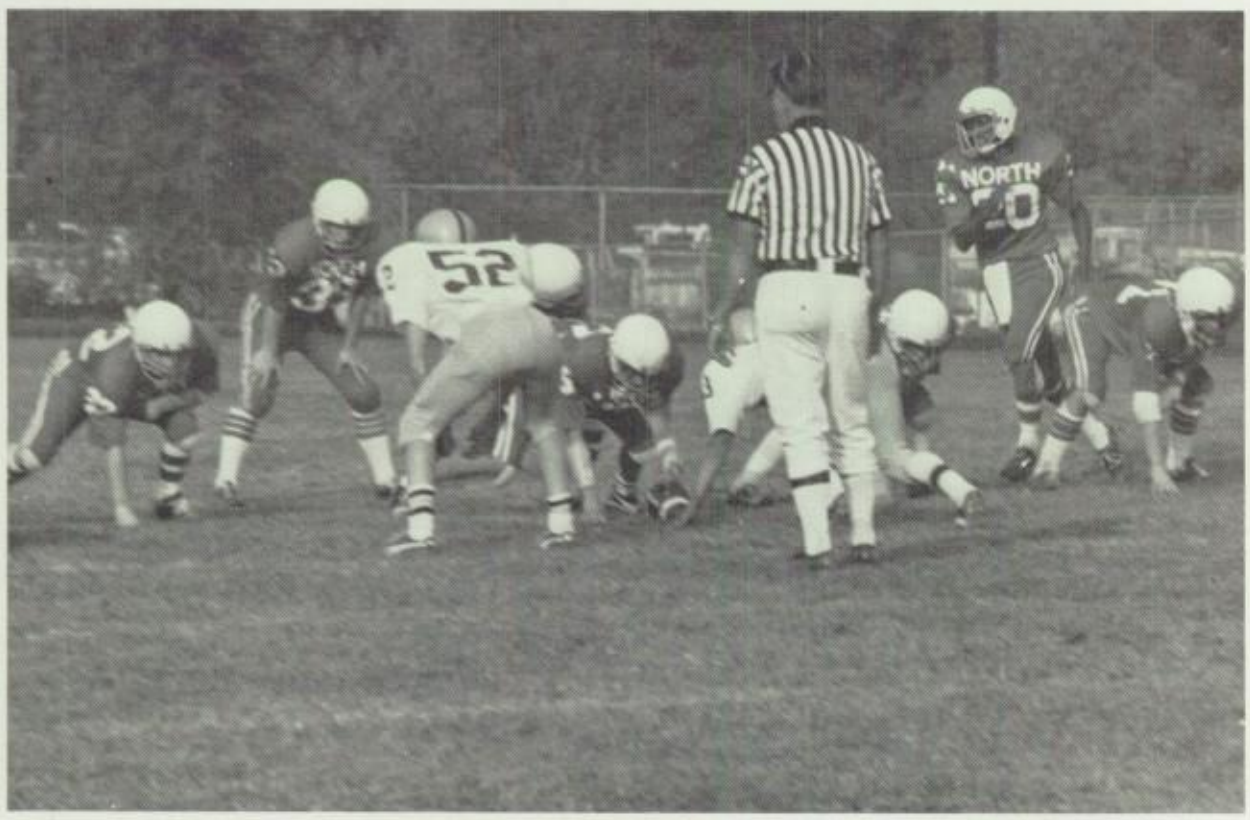
JV's TOUGH COMPETITORS



"We had a better team than our record showed," declared Junior Varsity Football Coach Tim McNamee. The team ended the season with 2 wins, 3 losses, and 1 tie. Two games were cancelled during the season, one when Waynesboro failed to field a JV team and the other when rain prevented play against Smithsburg.

The Sophomores faced a tough schedule, meeting Martinsburg and Thomas Johnson first. These teams proved to be the toughest competition for the Hubs.

By the third game, the gridders were showing improvement. "Our defense after the first two ball games kept us in games. The offense became more consistent as the year went on," Coach McNamee explained. "Also, the team cut down on mental mistakes and started executing better."

The Junior Varsity Team held both South Carroll and Frederick scoreless later in the season. A hard-fought game against South High concluded the season with a scoreless tie.

These Sophomores should contribute greatly to the Varsity Football Team as Juniors.

As a sidelight, no North High football team has lost to South in two years. With this in mind, football team members and coaches are looking forward to the 1981 season.

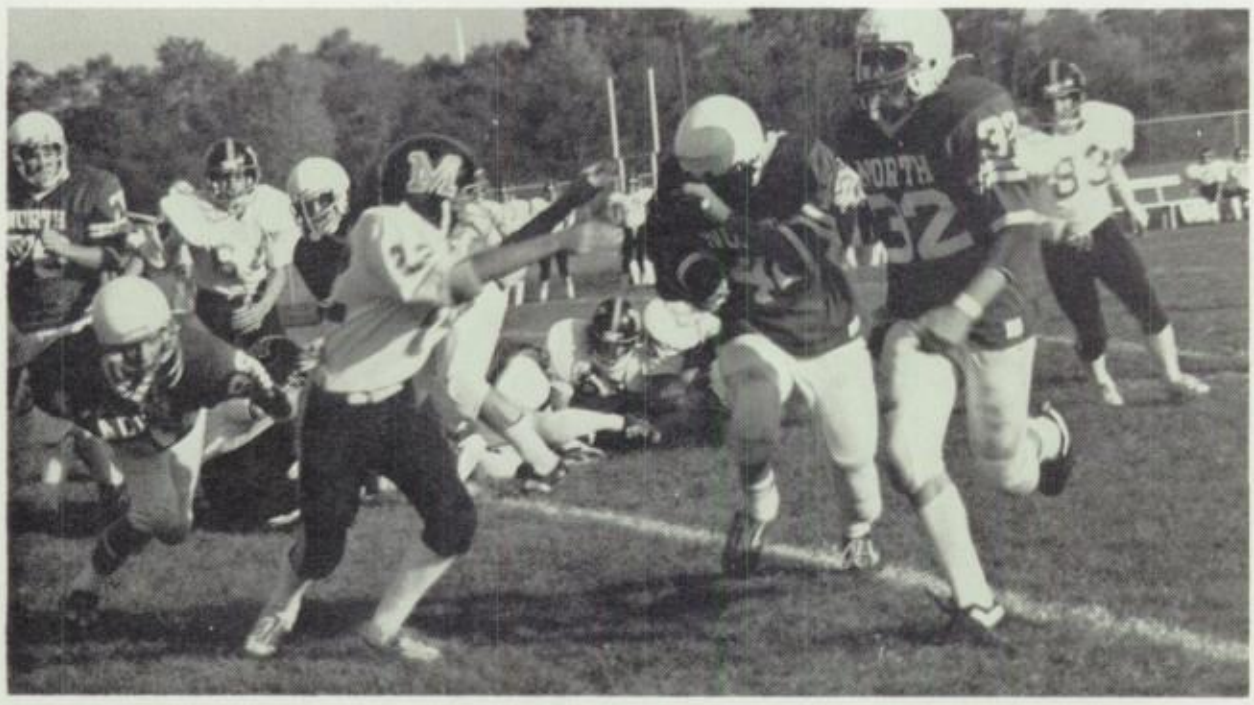
FROSH SUFFER NO LOSSES



Boasting a 5-0-1 record, the Freshman Football Team showed much potential. Led by Coaches Chuck Whitt and Jeff Barnhart, the Hubs gained experience for the future.

According to Coach Whitt, beating South High twice was a high point of the season. The second victory over the Rebels was a shut-out. The Hubs expressed pride over all their victories, however.

The freshmen "matured a lot as football players," Coach Whitt stated. Judging by the record, there is a bright future ahead for the team and the North High football fans.

Under the direction of new Head Coach Terry Baker, the 1980 Boys Cross Country Team became very successful, despite an early loss. The team worked together to produce an outstanding record.

The team brought home five first-place trophies. They included the South Carroll Invitational, CVAL, Tri-States, Counties, and Regionals. Also, the Harriers captured fourth in State's. The team had an extremely successful year.

The Hubs were led by four returning lettermen, with Troy Gandy serving as Captain. Transfer student Dan Mangan, along with Juniors Rob Hovermale and Boo Baer, caught top honors for the Hubs.

GIRLS TAKE 2nd

The 1980 Girls' Cross Country Team was fairly successful this season, with an outstanding second place finish in District Competition. The team was young, according to Coach Diane Stahl, and has a bright outlook for the future, but it is essential for more girls to come out for the team.

This year, the Hubs were led by Captain Donna Shanholtz. Another top runner for the team was Junior Carrie Williams. She set the school record with a time of 12:28 on the 2-mile North High course. Also, she gained All-State honors by finishing in the top 20 in the State meet. Laura Sommer took 23rd place in State Competition. This was the best finish for a North High Sophomore.

The next several years will be a rebuilding period for the young Hubs. It will take hard work by the team members to be top qualifiers in the state. These Hubs still have high ambition and spirit for the upcoming year.

VOLLEYBALL TEAM POSTS 13 WINS

The 1980 Hub Volleyball Team, comprised of several new faces, came through the season with flying colors. Two losses came early in the season, to Williamsport and Francis Scott Key. The team rebounded, however, posting eleven straight wins. The victories included Williamsport, who had defeated the Hubs earlier, and Smithsburg, who was previously undefeated.

The team was hard-working. Since there were only six members, every girl played the entire match.

According to Coach Brenda Eccard, the team was very successful. This fact was evident in the 13-4 overall record, a CVAL Tournament victory for the third straight year and a berth to Regional Championships for the second year in a row.

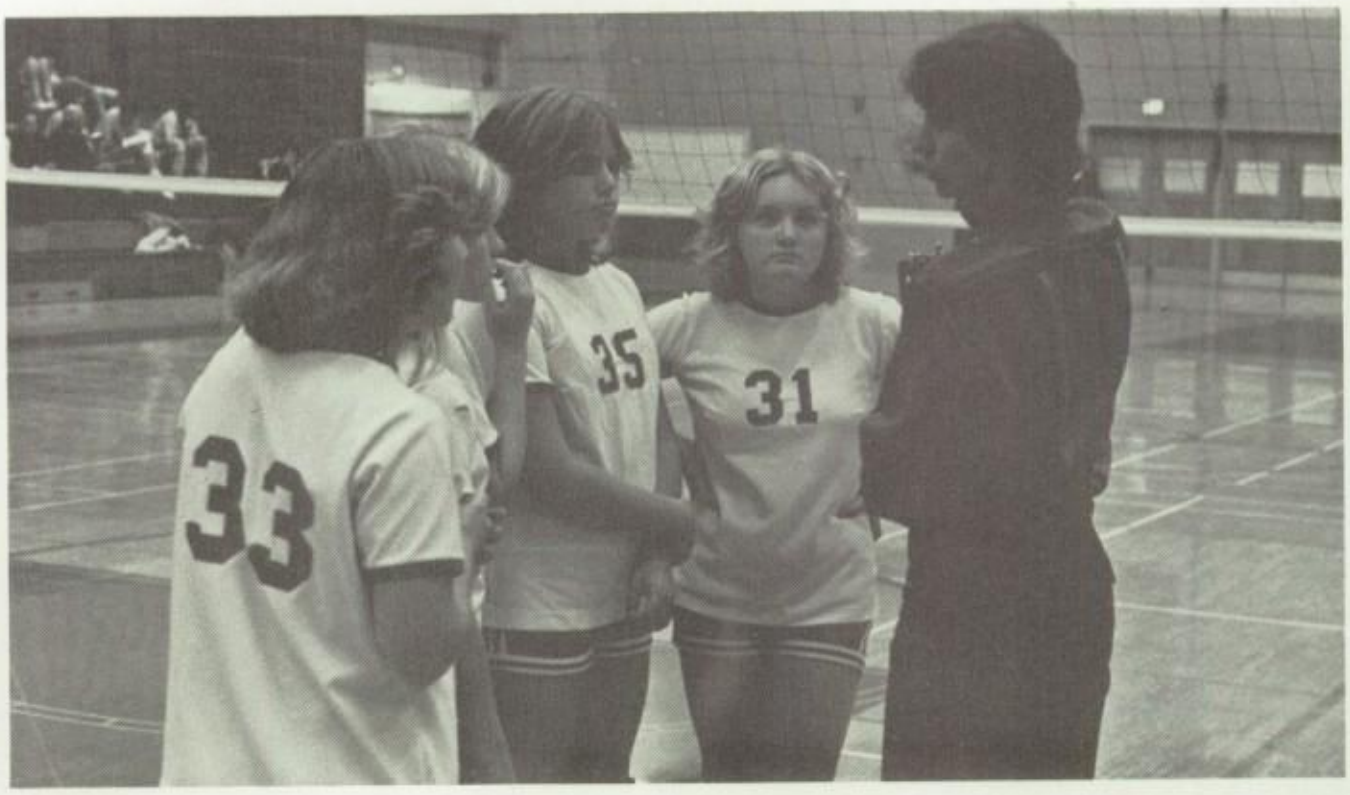
JV AIDS VARSITY



The Junior Varsity Volleyball Team, under the direction of first year Coach Eilein Lardizabal, completed the season with 6 wins and 8 losses. Several early wins sparked enthusiasm in the team. Such teams as Clear Spring, South High, and St. Maria Goretti were defeated twice each by the Hubs. After a few victories, the team lost starter Julie Hutzell to the Varsity team, which may have hindered the Junior Varsity somewhat. The team is fairly young, and expects many of the players to return next year. Therefore, a stronger season may be in store for these Hubs.

GOLF REVIVED

After the absence of a Golf Team last year, the Hubs spent much of the season rebuilding. Under the supervision of Coach Joseph Powell, the Team was eight members strong. Because of inexperience, the Hubs were faced with a tough schedule. They ended the season with an overall record of 3 wins and 9 losses. Although the golfers had a slow start, they showed talent later in the season. This was shown in victories over such powerhouses as Westminster and Martinsburg. Waynesboro, however, was the Team's toughest competition, according to Coach Powell. With six of the team members returning next year, the future looks bright for the young Hubs.

Sporting an 11-5 record, the Junior Varsity Basketball Team showed much improvement. The Hubs handed Westminster a loss at home after being beaten at Westminster. Also, the girls stopped Smithsburg in overtime, after tying the score in the last minute of regulation time.

The team concentrated on their defensive game, using several different types. But because of a lack of height, the girls let the offense take care of itself.

The Hubs, under the direction of Coach Brenda Eccard, were hard-working and played as a team. Michele Shaffer broke several J.V. records and Korby Blankenship led the foul shooting percentage. Other team members also gave outstanding performances for the Hubs.

TEAMWORK PAYS OFF

The Girls' Varsity Basketball Team completed an outstanding season with a 14-2 record, increasing to 18-2 after post-season play. The Hubs brought the first State Title to Hagerstown, winning the Class A State Championships.

The 13-member squad, under the direction of Coach Diane Stahl, was strong this season. Although 9 of the 13 girls were Seniors, the Hubs were well-rounded and versatile. Co-captains Jill Boyd and Sylvia Parsons provided much encouragement for the team.

Among the achievements of the Hubs was a second place finish in the competitive Tri-State League. Also, the Girls maintained an undefeated slate in county play.

"Teamwork and the fact that everyone stayed healthy throughout the season were important factors to the girls' success," stated Coach Stahl. Fortunately, the team's success continued through post-season play.

END WITH FLAIR

"This season was a roller coaster of events," stated Head Coach Robert Beard of the Varsity Basketball Team. The Hubs beat some of the best teams in the area, but also lost several close games.

Co-captains Todd Rideout and Todd Hill led the team in victories over teams such as Williamsport and Goretti. Seniors Marshall Branch and Bryson Hart also added quickness to the plays. Phil Wright's needed height did much for the Hub's rebounding. Speed was a strong point of the team, but their lack of size put them at a disadvantage.

In the last game of the season, the Hubs beat Waynesboro in 4 overtimes. Several players, such as Dean Knode and Troy Gandy, came off the bench near the end of the game to help pull the team through. Also, pride was a factor. "The kids didn't want to go out as losers," commented Coach Beard. "They had enough pride to put everything back together for the last game."

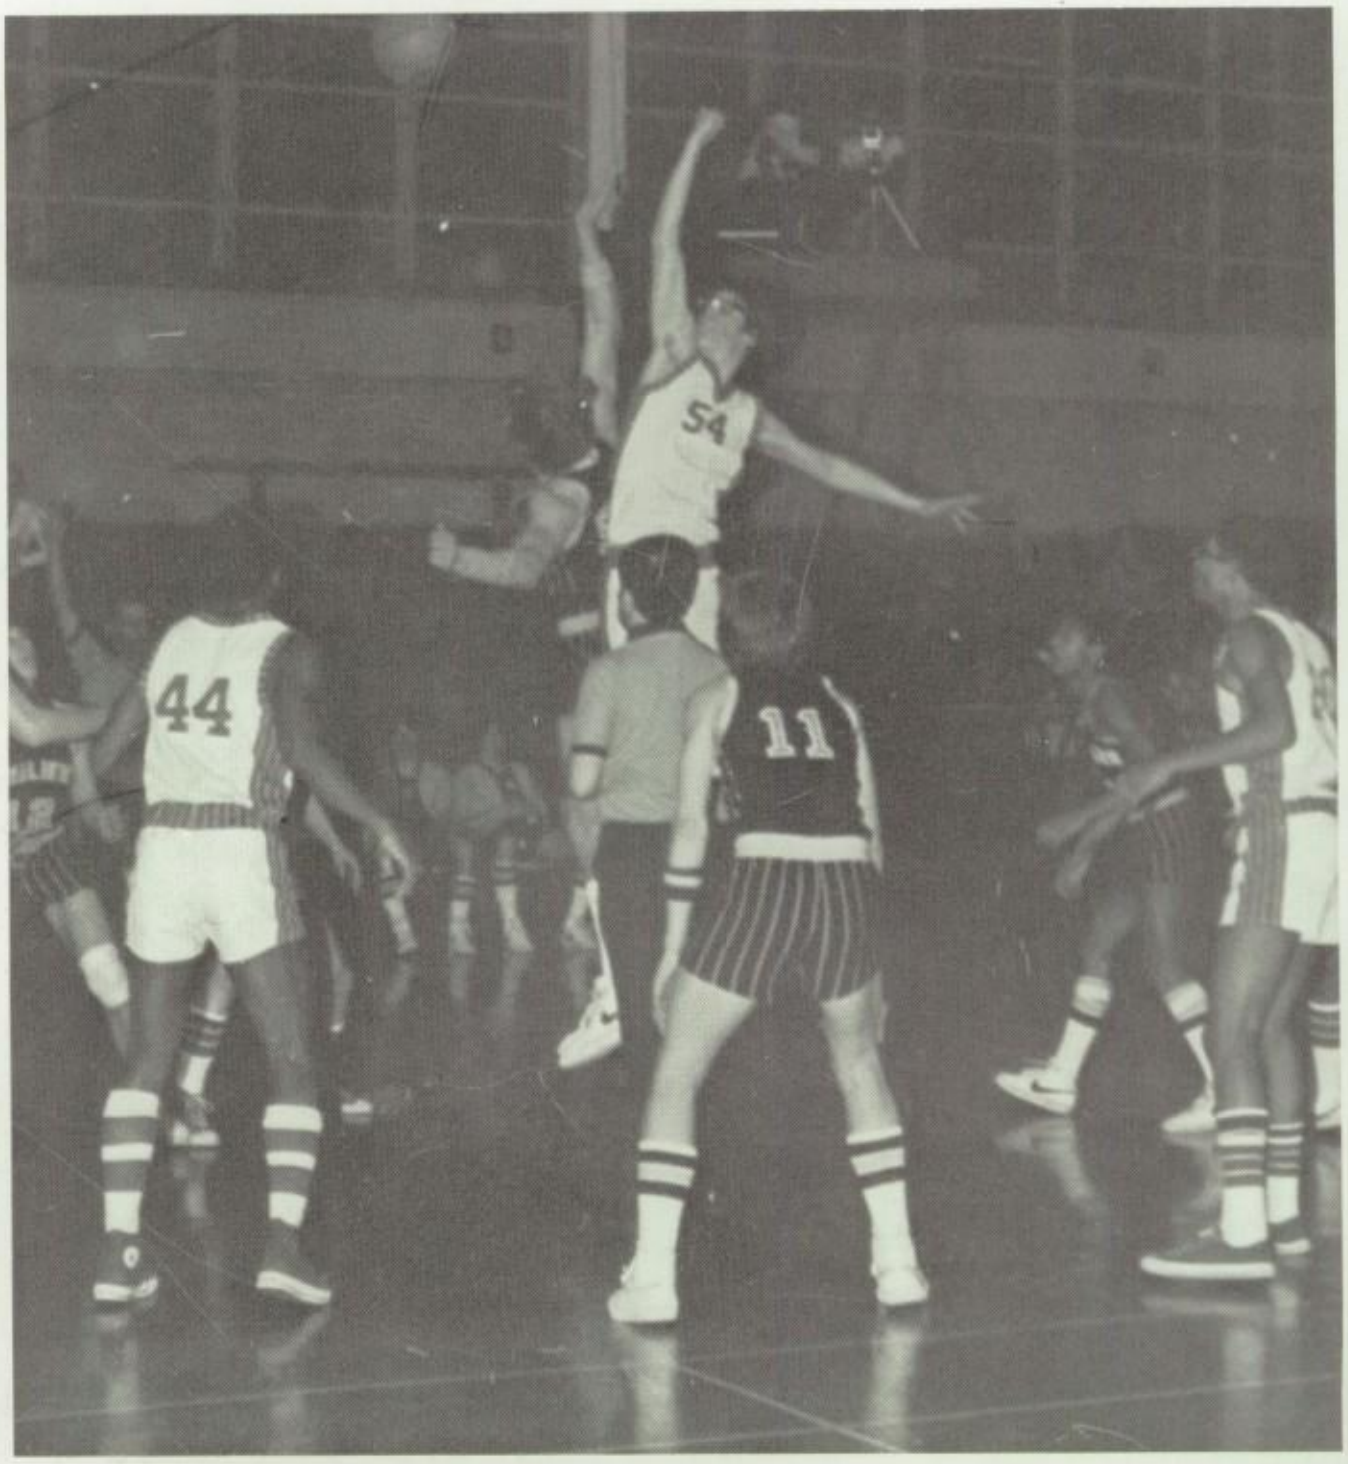
TEAM BATTLES IT OUT



The spirited Junior Varsity Basketball Team pulled in eight wins this season, battling many tough teams. The Hubs defeated Frederick on the road by one point. Also, the teams such as South Carroll and Waynesboro fell to North.

Although the team was hard-working, their inconsistency caused a few problems. The team played in streaks, winning several games, then dropping a few to the tough Tri-State competition. They never gave up, however.

"The team always seemed to battle, no matter what the score was," stated Coach Greg Rouse. The Hubs worked together throughout the season to bring their final record to eight wins and twelve losses.

J.V. TEAM

Finishing the season with seven wins and only three losses, the Junior Varsity Wrestlers were tough competitors. Teams such as Williamsport and South Carroll fell victim to the Hubs. A high point for the team was a 55-9 victory over South High.

According to Coach Jeff Barnhart, a reason for the Wrestlers' success was a good team effort. There were no individual standouts for the Hubs, but all did their best.

As the season progressed, the Hubs gained experience and self-confidence. They finished the year with two big wins to Linganore (63-0) and Williamsport (46-18).

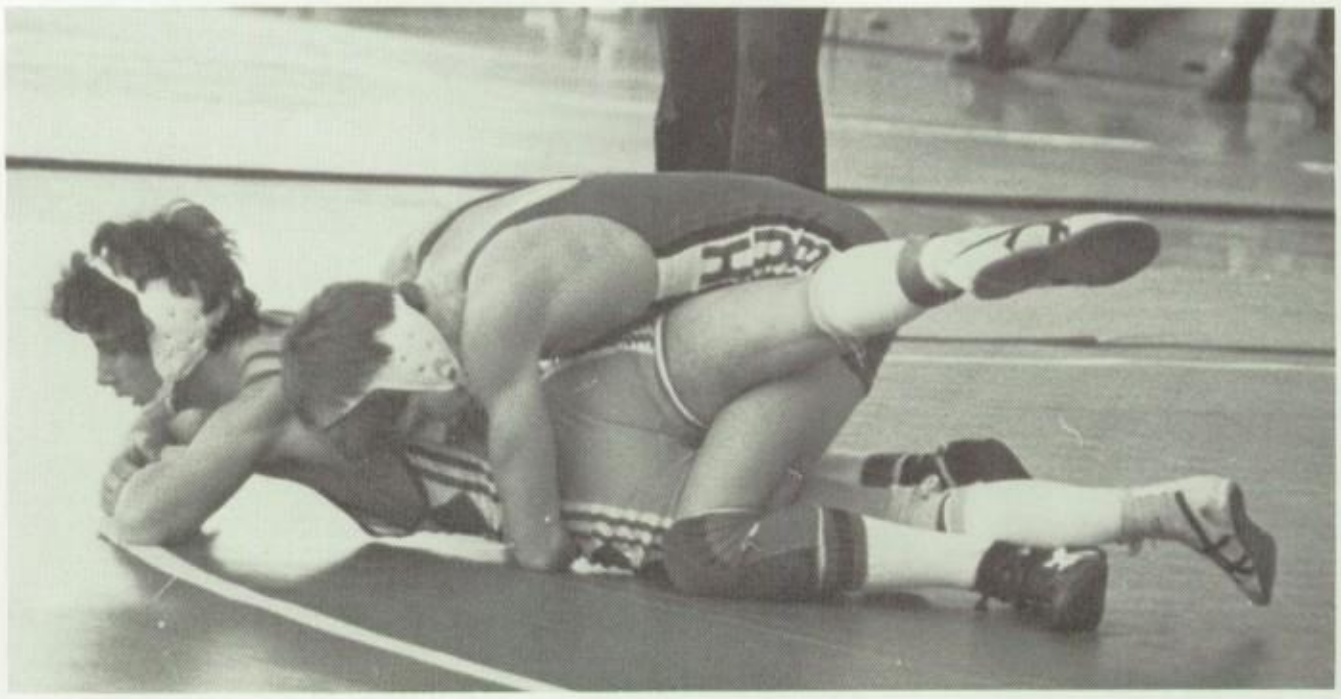
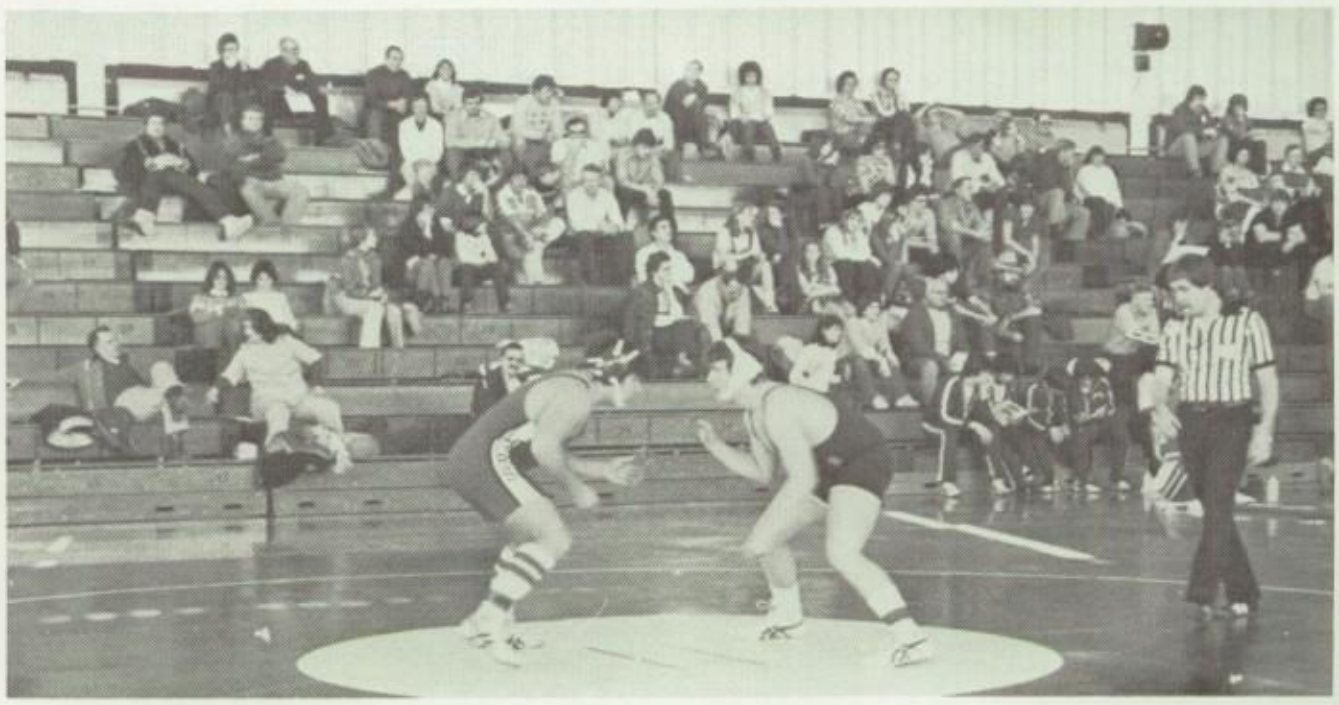
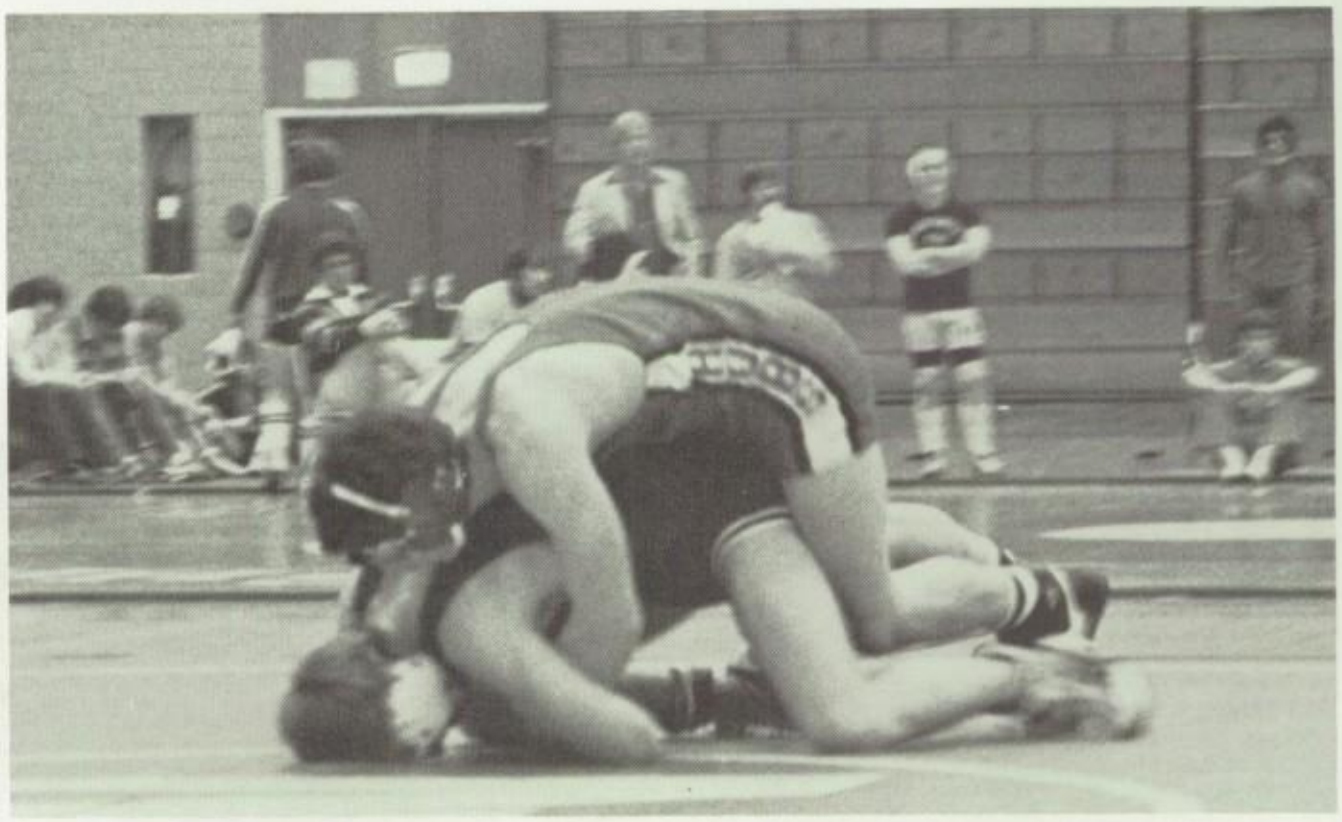
HUBS WIN BY PIN







"The team members really pulled for each other. They were willing to sacrifice for the team." Coach Greg Slick speaks proudly of this year's Varsity Wrestlers.

Under the leadership of Co-Captains Neil Caricofe, Dave Savoy, Kevin Ellis, and Kevin Herbert, the Team had several outstanding performances. They defeated a tough South High team by recording more pins. Also, Thomas Johnson fell victim to the Hubs.

The Wrestlers placed third overall in the Tri-State Tournament, held this year at North. Waynesboro and Westminster were two of the toughest teams facing the grapplers, placing first and second respectively in the tournament. Next year, however, these two teams will be leaving the Tri-State league, paving the way for more Hub successes.

This year's Team was hard-working, according to Coach Slick. Strong individual efforts made the Team a strong one, but the encouragement and team spirit really brought the Hubs together.

60 HUBS TRAIN

Under the direction of Mr. Gary Knepper, about 60 North High students participated in the Weight Training Program. This training takes place twice each week, and is available throughout the year, including the summer.

Competitions within the group are held on an intra-mural basis. Also, a competition with South High is held once a year.

There are certain awards for levels of achievement reached by the lifter in the Powerlifts. This includes the Squat, Bench Press, and Deadlift. For example, t-shirts can be earned by students for certain performances. Also, Mr. Bob Knodle, a supporter of the Weight Training Program, donates a "Powerlifter of the Year" Trophy each spring.

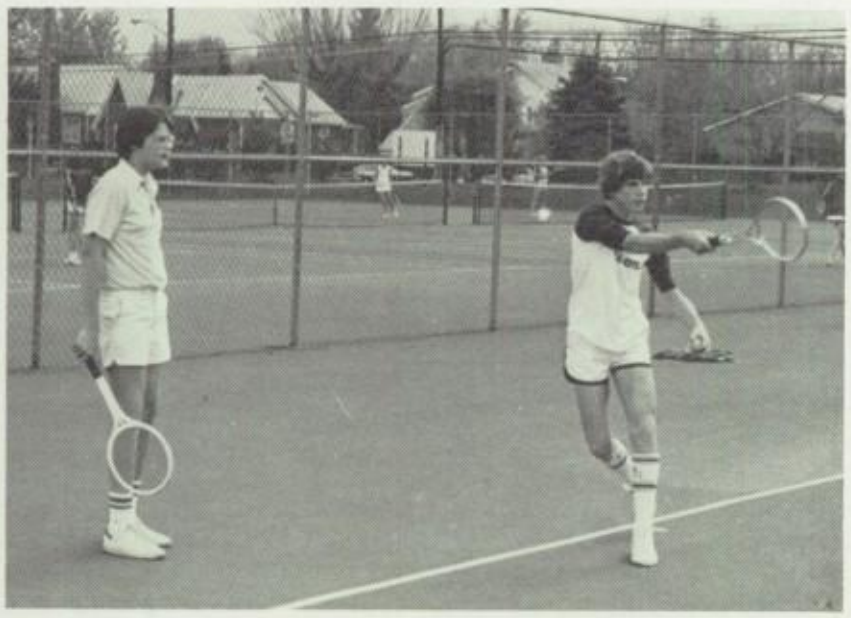
TEAM PULLS IN 9 WINS



Facing a tough schedule, the 1980 Tennis Team battled to a 9-8 overall record. Although most matches were played by both the girls and boys teams, four were attended by only one. A highlight of the season, according to Coach Leon Brumback, was the victory of the girls squad over Mercersburg. This private school has one of the toughest teams in the area.

The Tennis Team usually played a 3-2-2 format during the season. This means that three singles matches (boys and girls), two doubles matches (boys and girls), and two mixed doubles matches were played against every team. Everyone on the Team participated in Counties, while only Sarah and Grace Reusing, Janet Amarillo and Gary Wantz, Karen Lyles and Kathy Egan, and Evan Smith moved on to District competition. The teams of Reusing and Ruesing and Amarillo and Wantz were the only representatives of North to play in State competition.

Coach Brumback was looking for strength in the more experienced girls team along with support from the boys team in the 1981 season. He hoped to send more players to States and was hoping to capture the Tri-State title.

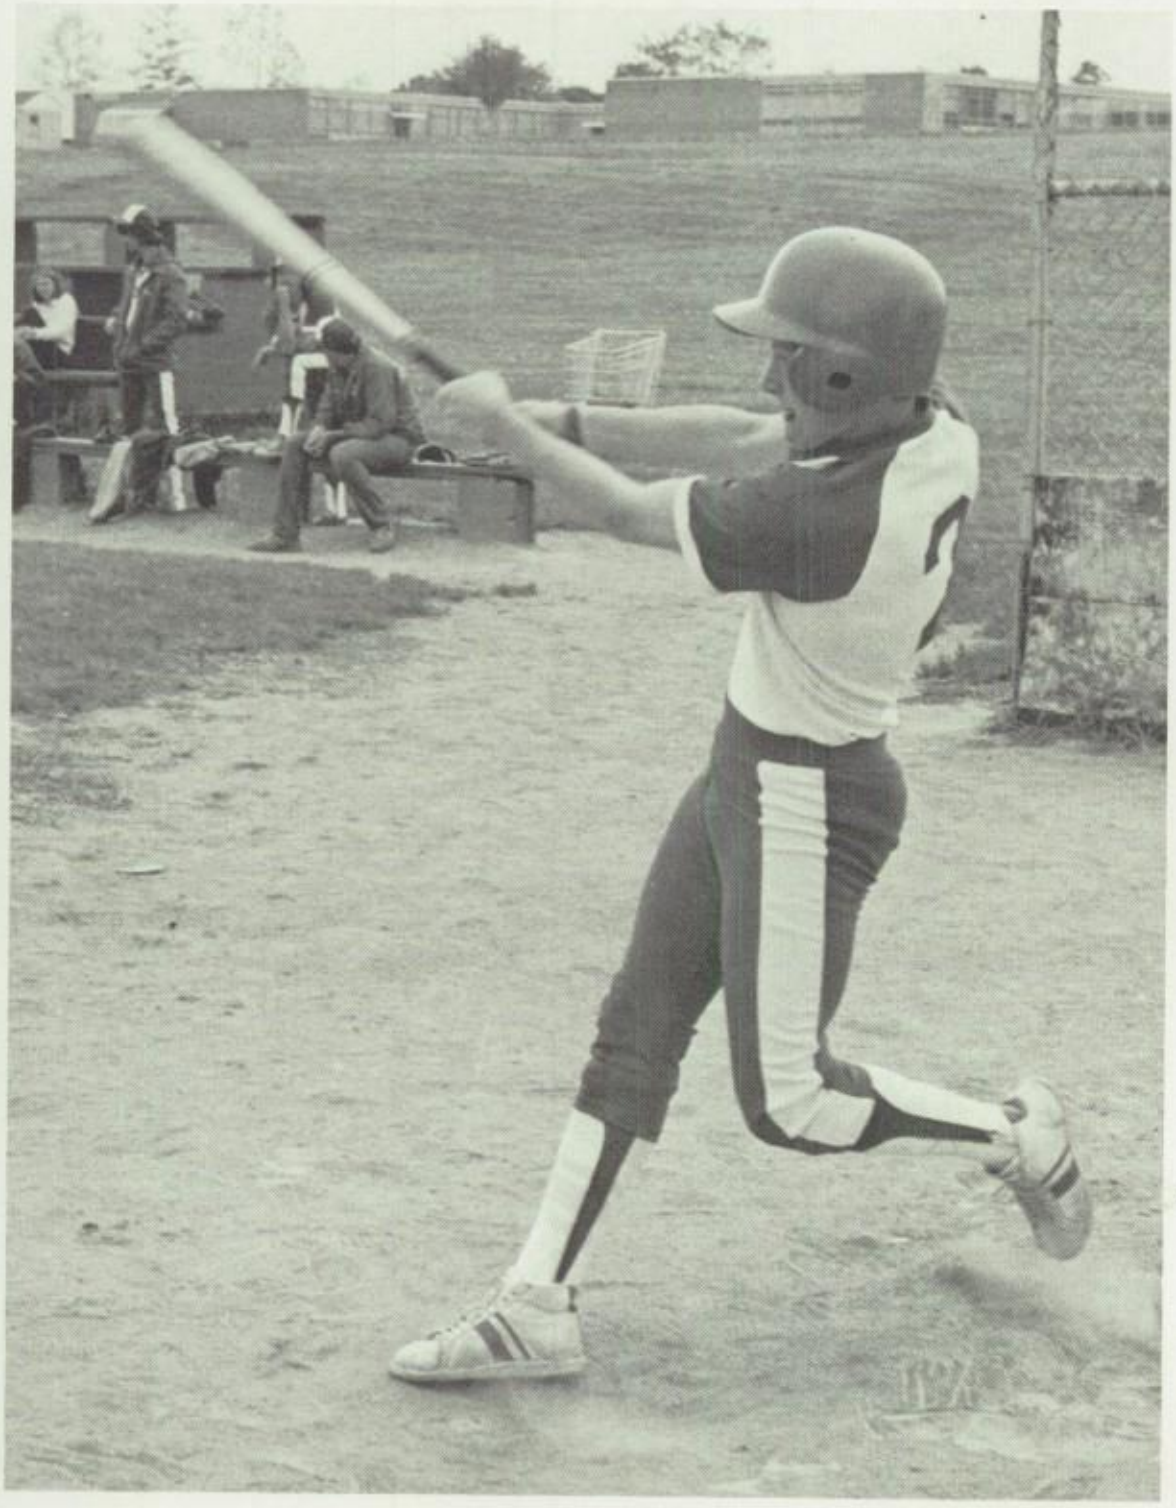
TEAM SHOWS IMPROVEMENT



Showing great improvement, the 1980 Baseball Team had a successful season. The individual efforts of many team members were important in achieving this success. Senior pitcher Bill Calandrelle earned a spot on the All Tri-State first team, and John Ambrose, second baseman, made the All Tri-State second team. One of the best catchers in the League was Brian Fox, who also had a high batting average.

The Hubs had several outstanding performances during the season. Two of the toughest teams facing the group were South High and South Carroll. Although the Rebels got the better of North, South Carroll dropped a double-header to the Hubs by scores of 6-3 and 7-4. Thomas Johnson also felt the team's power, as they were defeated by North in District playoffs.

There are several changes in store for the upcoming season. Because of the spots left open by the graduation of Seniors, a new shortstop and more definite pitching will be included in the changes. Coach Chuck Zonis is optimistic about the Hubs. "We have a good hitting ball club," states Coach Zonis. This trend should continue, producing an outstanding team.

TEAM TAKES 1ST

The 1980 Softball Team had one of the best records in the area, finishing the regular season with fifteen wins and one loss. The only team upsetting the Hubs was Martinsburg. North retaliated, however, later handing the Bulldogs an 8-5 loss.

The highlight of the season, according to Coach Diane Stahl, was winning the Tri-State League Championship. In post-season play, the Hubs captured the title of runner-up in Regional competition, making their final record 16-2. The additional win came in the first round against Loch Raven. The loss was attributed to Aberdeen, with a final score of 6-4.

Captains of the Team were Seniors Mary Brockway and Mary Barnhart. There were only 2 other Seniors on the Team. The Hubs should be strong next year, due to the number of returning players. If this season was any indication, there is more success in store for the Softball Team members.

The Boys' Track Team, under the supervision of Coach Paul Jozik and Captains Jeff Scuffins and Mike "T" Thomas, had a respectable season, playing the role of spoilers.

The highlight of the season, according to Coach Jozik, was North's victory over South. It took strong Team effort and determination throughout the season. Also, good individual performances were needed.

The distance department was led by North's first State Champion Jeff Scuffins and Senior "T" Thomas. As for sprints, standouts were Jeff Miles and Bryson Hart. Hurdlers Scott Funk and Dave Montgomery contributed greatly to the team.

Field Events were handled by Coach Doug Grove. Jumpers Todd Showe and Todd Rideout and Pole Vaulter Scott Crowner often made good showings.

Under the supervision of first-year Coach Sherri Zelloe-Asaro and Coach Paul Jozik, the Girls' Track Team had a fairly successful season, with an outstanding showing at the C.V.A.L. Tournament, capturing a second place finish.

The team, according to Coach Jozik, was very young, with only one senior team member. Therefore, he expects the team to make a strong showing in the year to come.

The team was led by Captain Pam Parker, and had many other standouts. Kim Saunders and Lisa Hoover excelled in the sprints, while Donna Shanholtz and Carrie Williams ran in distance competition. The field events were headed by Amy Posch and Suzy Nicol.

The team overall was successful, according to Coach Jozik, and has a very bright future.

Band Groups Perform, Plan

The Stage Band, the strictly entertainment oriented segment of North's Band program, provided hospital workers with a pleasurable background at a Venice Inn gathering. The group entertained shoppers at the Martin's Food Market grand opening early in the year. During the SGA's annual Northern Hospitality Night, the Stage Band helped to liven up the evening with many popular tunes. The group was well received when they entertained veterans at the Morris Frock Post of the American Legion.

The group members practiced many hours before school to perfect their skills. The time and effort paid off in professional sounding performances.

The sixteen member Varsity Squad returned from a summer clinic at Bridgewater College in Bridgewater, Virginia, with first runner-up honors as best squad. The girls boosted spirit throughout the year with Pep Assemblies, North-South hall decorations, and routines during basketball games.

This year, the Cheerleaders lent excitement to North's Homecoming festivities by cheering throughout the car caravan. The girls rode a trolley and led the Homecoming Court in a procession through Hagerstown.

After North's win over South, the Cheerleaders led an all school victory assembly. The girls posted a banner over the football players' bleachers . . . WE DID IT!!

Staff Keeps Students Posted

This year, the Hoo-Wair-N-Wat reported to the NHHS student body concerning school, community, and national events. Many students took advantage of the letter to the editor column and expressed their personal feelings regarding school happenings.

With Editor-in-chief Jeff Baker and Advisor Mrs. Katherine Sweeny in charge, the staff produced a monthly paper including the annual Christmas and Valentine's Day issues containing the ever-popular Christmas and Cupid Grams. Section editors included Janine Chabot, Jennifer Waters, Lori Leggett, John Hershey, Jenni Margin, Howie Weinberger, and Kathy Martin. All funds were raised through ad sales and gram sales.

Yearbook Looks at North HS

The Yearbook Staff "took a closer look" at the happenings in and around North High this year. Great effort was made to cover all classes, clubs, and organizations equally.

Because of rising costs, the Heiskelite Staff was faced with fewer color pages. To make up for this factor, color pages were sold to groups and organizations for sixty dollars per page. In addition to selling color; ads, graffitti squares, and, of course, Yearbook hops aided in raising money.

For the first time in Hub history, Juniors were made section editors on the staff.

Editor Preston Norris guided the staff through the many nervous hours before deadlines, often calling on helpers during times of near panic.

National Honor Society

The North High Chapter of the National Honor Society inducted its new members in the Spring of 1980. Society members offered a free tutoring service. Advisor Mr. John Stouffer arranged for the group to earn varsity letters for their academic achievements. Honor Club

Again this year, students meeting academic requirements were inducted into either or both of the honorary organizations at North — the Honor Club and the National Honor Society. Both clubs provided recognition for scholastic excellence, and their main activity was preparing for the Spring induction ceremony. The groups also provided tutors for North students free of charge.

New Club Bakes NHHS Happy

The NHHS Food Club, a new organization this year, undertook many projects within the school. The girls were available to prepare food for any function held in the school. The group prepared refreshments for the guidance office's annual open house.

The Club also helped the Senior mothers with the Senior Tea. In addition to preparing food for school groups, the club made sure that visiting groups were made to feel at home by providing welcoming refreshments.

The girls are advised by Mrs. Helen Loper.

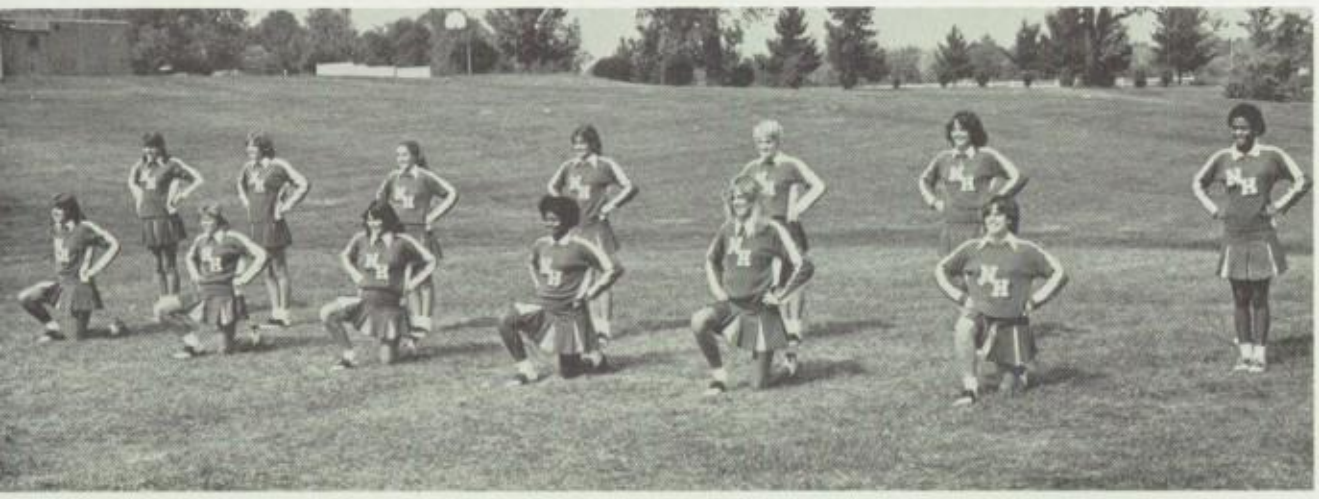
The Varsity Club



The Varsity Club was not as active this year as in the past. However, the group supplied the student body and faculty with fall, winter, and spring athletic schedules as a free service. Cheerleaders and students who have lettered in a varsity sport are eligible for membership in this Club.

Sales Fill French Coffers

The 25 member French Club, led by President Danielle Hayward and Advisor Dennis Symons, had a very productive year. Funded by bake sales in November, January and March, and also by a February "M & M" sale, the Club took a trip to Washington, and also held a skate party for members and guests.

The Washington trip was not a possibility last year due to substitute teacher arrangements. This made the trip this year more of a novelty.

To end the year in style, they took a trip to New York.

Viva El Español

The Spanish Club, under the capable leadership of President Jacquie Ebersole and Advisor Mr. Cardenas, held monthly meetings in the Spanish room after school. The group planned to go Christmas Caroling, but the excursion was cancelled due to inclement weather. The Club did, however, hold a Christmas party at Jacquie Ebersole's home. At this event members enjoyed various Mexican foods and games.

Other officers include Vice-President Dianna Miller, Treasurer Chrissie Bowers, and Secretary Laurie Funk. Along with Jacquie Ebersole and Mr. Cardenas, these officers planned and carried out various activities throughout the year.

A.F.S. and Ebersoles Host Paulo

After a few years' absence, North High's Chapter of the American Field Service was reorganized. The group planned trips to Williamsburg, Virginia and Washington, D.C. In December the A.F.S. sold poinsettas, and in May, they sold flowers in honor of Mother's Day. In addition to all of this, A.F.S. hosted Brazilian exchange student Paulo Censoni. A.F.S. was advised by Mrs. Dorothy Crawford and President Dana Poffenberger. Other officers include Ivy Ballard, and Margaret Nagy.

Paulo Censoni, the 1980-81 A.F.S. exchange student, lived at the home of the Ebersole family.

He arrived in Hagerstown on August 18, 1980 from his hometown of Sao Paulo, Brazil.

Paulo tackled Advanced Physics and Pre-Calculus, but of all his classes, he found English most difficult.

He called Mr. and Mrs. Ebersole "Mom and Dad" and noted that he felt as if he were part of the family.

While in Hagerstown, the Ebersoles introduced Paulo to a new sport — snowmobiling, which Paulo just couldn't get enough of.

Throughout the year he spoke to classes at area schools and community groups.

Spirit Committee

Boosting school spirit thoughout the year, the Spirit Committee added extra excitement to the school's annual North-South Spirit Week with a hall decoration competition, dress-up days, and a hush button contest to determine Mr. Irresistible. The group worked many days after school in order to leave surprises in athletes' lockers.

Under co-chairmen Jenni Margin and Lisa Jones, the all-female crew painted spirit signs for football and basketball games, and also held their annual Daisy Day, encouraging students to send flowers and messages to friends.

S.G.A. programs very successful

One of the school's most active organizations, the Student Government Association sponsored the Homecoming, Christmas, and Sweetheart Dances and honored the school's educators with Teacher Appreciation Day. The SGA capably handled student picture taking and held Daisy Day as a service to students. President Sonnie Richardson led the organization in all its ventures.

D.E.C.A. Expands

The DECA Club is to North DE students what a professional organization is to businessmen. This year, the Club attended the Maryland Marketing and Distributive Education Student Conference held in Baltimore in November. The conference presented many informative workshops including topics such as Harborplace, the Ronald McDonald House project, Counterfeit Money, starting your own business and much more. The DECA Club conducted a very successful anti-shoplifting campaign, chaired by Terri Borum. In March, the Club traveled to Hunt Valley to participate in the Maryland DECA Career Development Conference. The group later held their annual employer — employee banquet.

Crew Creates Moods

The Lighting Crew provided illumination and sound effects for the many student plays, assemblies, and concerts held at North High. In addition to the Junior Miss Pageant, the Crew set up romantic lighting in the school gym for the SGA's Homecoming, Christmas, and Sweetheart dances.

Under President Phil Benchoff, the Crew helped the Spirit Committee with the Spirit Hop and other organizational functions in need of light and sound work for their various activities.

Working with little recognition but a lot of pride, the Lighting Crew purchased many technically advanced devices to help them in serving the school and community more efficiently.

Drama Club presents B. Spirit

Advisor Bob Wheatley revitalized the Drama Club this year as the group begin the year with a production of "Blithe Spirit" and followed that with a Christmas play.

The group members also attended various performances together including dress rehearsals of "Pajama Game" and "California Suite" by the Potomac Playmakers.

Mat Maids active

Supplying baked goods at each wrestling match, keeping stats, and cheering the wrestlers on to victory were some of the duties that the Mat Maids undertook this year. Under President Cathy Reno, the girls donated oranges to the Wrestling Team at every match. Planning for the various competitions kept the girls working all year long. Supervised by second year advisor Coach Greg Slick, the Mat Maids aided in keeping score of takedowns, pins and points scored during each match. The girls also distributed programs to help dedicated fans keep track of wrestlers.

Chris,
It's been a lot of fun this past year. Don't forget all the fun we had in the Cafeteria. Bag, Bag, Bag. And all the fun in Mr. Wheil's class. Don't forget Billie & Tonya too. And remember the good food at No-tech. Yum Yum! "Maggots" "Ha Ha!
Good Luck in the future or have fun this summer. Take Care you-all!

1981

In 1977, about 400 confused and anxious freshmen entered North High. They established their first cabinet under the direction of Mr. Michael Gouker. Car washes and candy sales were held to build the class treasury.

Returning as sophomores, class members played a more important role. The class met often to discuss various prom themes. Chairmen were elected and committees were signed up. At the end of the year, the prom theme—The Hobbit—was selected. Plans were made for fund raisers and methods for developing the prom.

In the junior year, the class met financial problems, having considerably less than the needed funds for the prom. Working on the prom brought about arguments and friendships. Finally, on May 17, the pages of the book were open on the prom.

The senior year provided many memories as students selected Homecoming King and Queen, Sweetheart King and Queen, and Senior Superlatives. Class mugs and senior T-shirts were sold to sponsor the senior banquet.

The class of 1981 experienced four years at North Hagerstown High School. Though the members of the class will soon seperate, the memories of the years will remain.

PROM 1980

The class of '81 spent many long hours working on the decorations for Prom 1980. The day of the Prom, May 17, brought satisfaction of curiosity to the Seniors and relief to the Juniors.

Prom Co-Chairmen Traci Szumetz and John Hershey, under the supervision of Mr. Michael Gouker, organized the building of the Prom. The theme — THE HOBBIT — was chosen early in the year, allowing time for well-planned murals and construction to be finished. The centerpiece, an 18 foot tall Bilbo Baggins, was the highlight of the gym.

As traditional, thirty-five students were allowed to miss classes to prepare the gym for the dance. These Juniors hung streamers, finished murals, and pomped the constructed pieces.

The lobby told the story of THE HOBBIT and A cafeteria recreated a journey through the cave. The dance area illustrated the book.

During the evening, pictures of the couples were taken with some of the characters. Music was provided by MARS.

Hub Spirit

Pep assemblies were an important part of the school year. Students came together during the first week of school to cheer the Football Team on to victory against Boonsboro and to recognize the members of all Fall sports teams. Spirit exploded at the North-South rally, the climax of Spirit Week.

Along with the spirit at North, enthusiasm grew for the fast paced, exciting game of soccer. Larger crowds turned out, and at the North-South game a record crowd and the Pep Band turned out for a Hub victory.

The band was a major contributor to North High spirit, reflecting and encouraging enthusiasm in the entire student body.

Spirit Week A Success

The week of the North-South game, November 3-7, was filled with activities planned to escalate school spirit.

Freshman hall was transformed into a "Dr. Seuss" storybook, while the Sophomores used the comic strip "Peanuts" as their theme. The seniors recreated **The Jungle Book** and the Junior Class won the hall competition with "The Hubs Hunting Season".

Monday was designated as dress up and hush button day. A spirit hop was held Monday night. Wednesday and Thursday were Jersey and Western Days, respectively. A pep rally was held Friday, in which Doug Tuttle was chosen "Mr. Irrestible". Randy Brown was designated "Mr. Popularity", and Howie Weinberger received the title of "Mr. Intoxicated". Also on Friday, students wore red and white to show their spirit. Possibly because of the spirit shown by the student body during the week, the Hubs were victorious over the Rebels with a score of 10-6.

Northern Hospitality a Hit

The Fourth Annual SGA Northern Hospitality Night was held October 1. This was the first PTSA meeting of the year. After a brief meeting in the auditorium, where Principal Edwin Stenger spoke to guests about Project Basic, classrooms were opened for parent visitation.

Under the organization of Robert "Boo" Baer, clubs and organizations displayed exhibits throughout the gym and A cafeteria. The drama club boasted its talents by presenting a skit and numerous individual pantomimes. Additional entertainment was provided by the choral department and the Stage Band. Kim Fowlkes, Diane Sommerfeld, and Paul Quesenberry performed many solos.

Parent, teacher, and student cooperation made the evening a success.

Game Delayed Fun Goes On

Heavy rainfall October 25 postponed the Homecoming game this year. The eighteen couples who comprised the 1980 Homecoming Court had to wait until the Dance that night to find out who would be Queen. Sonnie Richardson, who was escorted by Bob Rider, was crowned Queen during the ceremony at the Dance. After receiving their gifts, Sonnie and Bob danced the traditional slow dance and were then joined by the rest of the Court.

The band, Gypsy, was enjoyed by the large crowd attending the Dance. Voting for Queen took place Thursday, October 23.

The game against the South Carroll Cavaliers was played the following Monday night. The girls on Court rode in convertibles to the game where they watched the game from the sidelines. At halftime, the girls were escorted onto the field, and Sonnie was featured as the band played "What I Did for Love." Also, during halftime, Senior Band Members were recognized and honored.

B. Spirit a Hit

Under the direction of Mr. Robert Wheatley, the 1980-81 Drama Club presented "Blithe Spirit". The play took place November 14 and 15.

The plot revolved around a man and his deceased wife and his present spouse. The deceased, Elvira, was visible only to her former husband. Elvira's attempt at killing Charles resulted in the murder of his present wife, Ruth. The play ended with a farewell to the two wives by Charles. The curtain was drawn on smashing pots and falling pictures designating the tempers of the "ghostly" wives.

Although the size of the audience was a dissappointment, those participating in the production showed a great effort. Behind the scenes, the stage crew worked hard. All Drama Club members contributed to the success of "Blithe Spirit."

Hubs Celebrate Christmas

The SGA gave a new twist to the 1980 Christmas Dance. For the first time, a "Christmas Couple was chosen. A paper was drawn from a box containing the names of all the couples who bought their tickets in advance. The winners were Lisa Jones and Barry Thurston. They each received a small Christmas ornament as their prize. Picture taking added another new feature to the Dance. The cost for one polaroid picture was $1.00. The band Mars was enjoyed by those in attendance. A sleigh decorated the middle of the gym floor.

Royalty Chosen

The SGA began a new procedure for selecting the Sweetheart King and Queen this year. In the past, 12 girls were chosen to be on court and then they chose escorts. The couples were voted on by the Senior Class and the King and Queen were determined. This year, homeroom students selected three girls and guys to represent their homeroom. All these names were placed on a ballot and every Senior voted for 12 of each. The top 12 girls and boys comprised the court. The Seniors then voted on one girl and one boy who became Queen and King. This year's Sweetheart King and Queen were Todd Hill and Joni Brown. As usual, they received gifts from various clubs and organizations.

Juniors Plan Prom

Prom '81 was held May 16. Plans for the Prom began when the Class of '82, under the direction of Mr. Howard Guth, Class Advisor, entered North High as Freshmen.

As Sophomores, the class decided on a theme and elected committee chairmen. They started plans to create a night in "The Wild West."

Construction of buildings, cacti, the gallows, and mural stands was begun in September. Other committees, such as Murals, Invitations, and Special Projects worked diligently through the winter. The Band Committee selected "Whale" to entertain at the Prom.

The finished product saw A-cafeteria being transformed into a desert and the gym an old western town.

City sees growth

1980-81 was a busy year with many activities in the community.

The Orchestra held the annual Christmas concert. Among the entertainers were a recorder group, Barbara Stenger, and Mr. McFeely from the television show "Mr. Roger's Neighborhood". The orchestra Play-a-thon was held February 14, from 9:00 a.m.-6:00 p.m. in the Valley Mall. Members raised money for various new instruments.

The second annual blood drive was held February 23. Sponsored by the Student Government and the American Red Cross, the goal of this year's drive was 55 pints.

The local dramatic groups of Potomac Playmakers and Company II also involved North High students. The Playmakers held their musical in the fall, and three other plays throughout the year. Company II presented plays at a dinner theatre and each play usually ran for a total of four consecutive weekends.

Demolition of the building that served as Hagerstown High School and North Potomac Middle School since 1925 was begun. Classes for the junior high students are now held at the new Northern Middle School.

The Gifted and Talented Program for high school Seniors continued this year,

& change

and involved twenty North High students. The students went out into the community and observed the different aspects of specific vocations that interested them.

Popular movies of the year included **"9 to 5," "Stir Crazy,"** and **"Ordinary People".** The film **"Popeye"** brought the well-known comic strip to life.

Rumors and Plums were added as Hagerstown's newest night spots. Among the groups heard there were AC/DC, Queen, Air Supply, Christopher Cross, Bruce Springsteen, Dan Fogleberg, Pat Benatar, Blondie, Jackson Browne, Billy Joel, Stacy Lattisaw, DEVO, and Eric Clapton.

1980 — A Memorable Year

As the year progressed, many wonderful and terrible things happened. The taking of American hostages by Iranians, the death of Steve McQueen, the death of John Lennon, the election of a new President, and the Olympic boycott were just some of the incidents occurring in 1980.

Fifty-two Americans were taken hostage in Iran November 4, 1979. After several months, Carter ordered a rescue attempt. Due to faulty aircraft, the scheme was a failure, and eight Americans lost their lives. Later, Carter and Iranian leaders reached an agreement for the release of the hostages. The release was negotiated by Algiers. On their four hundred and forty-fourth day of captivity, the hostages boarded freedom planes. The planes stopped at Algiers and then continued to Germany. The hostages were treated in a German hospital and returned home on January 24, 1981. "Tie a Yellow Ribbon 'round the Old Oak Tree" was the theme song of the freed hostages.

On the same day as the release of the hostages, America's fortieth President was inaugurated. The government was changed from Democratic to Republican. The inaugural parade and balls were glamorous, but America's attention was on the hostages. Ronald Reagan threatened Iran and declared his ideas about arms. Reagan says he will make the armed services of America powerful again.

The death of two of the world's finest stars astonished many. John Lennon, former Beatle, was shot in front of his home, and America, as well as England, mourned. Steve McQueen's death also shocked the world.

Due to Russia's invasion of Afghanistan, America and several of its allies boycotted the summer Olympics. The winter Olympics were held in Lake Placid, New York. Russia was present at the Winter Olympics. Several meets were scheduled throughout the year and were to include those nations boycotting the Summer Olympics. These events were to substitute for the Olympics.

Although America boycotted the Olympics, the traditional sports remained. The World Series was won by the Philadelphia Phillies, and the Oakland Raiders stormed the Philadelphia Eagles in the Super Bowl.

Another exciting sports event was the Muhammad Ali come-back. Muhammad Ali got back into the arena to try to gain the Heavyweight Champ title once more. He was defeated by Leon Spinx but claimed he would return again.

In the area of television, one show definitely caught the attention and curiosity of all. **Dallas** portrayed a life we all dream of, but with a twist of intrigue. The question of the year was "Who shot J.R.?"

On an international scale, Poland received its solidarity union. Being a communist-controlled country, Poland was lucky to have gained a 5-day workweek. One week a month the workers must work a 6-day week, they were told.

An important discovery in 1980 was the space probe. The space probe circled Saturn and found several rings, while orbiting the planet.

Yes, the year was an eventful one. Cheryl Tiegs introduced a new line of clothing. Brooke Shields rose as a teenage star. Dolly Parton made her first movie, as did Robin Williams. Charlie got a new angel, and America remained the greatest nation.

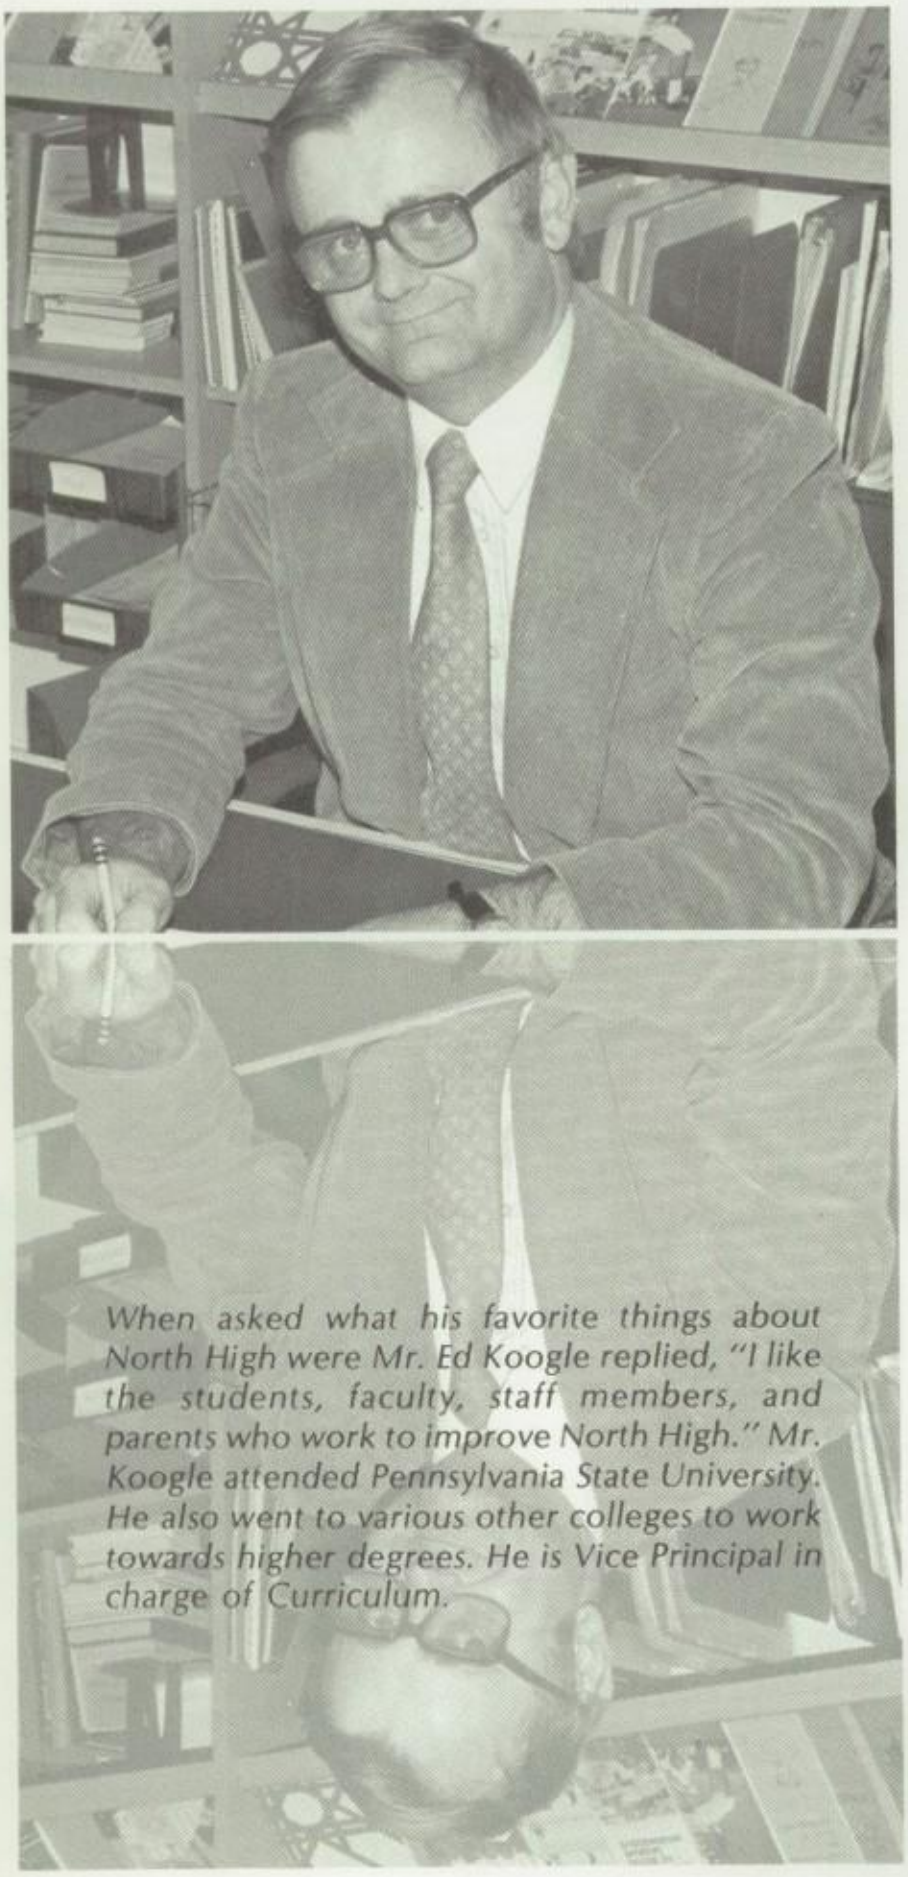
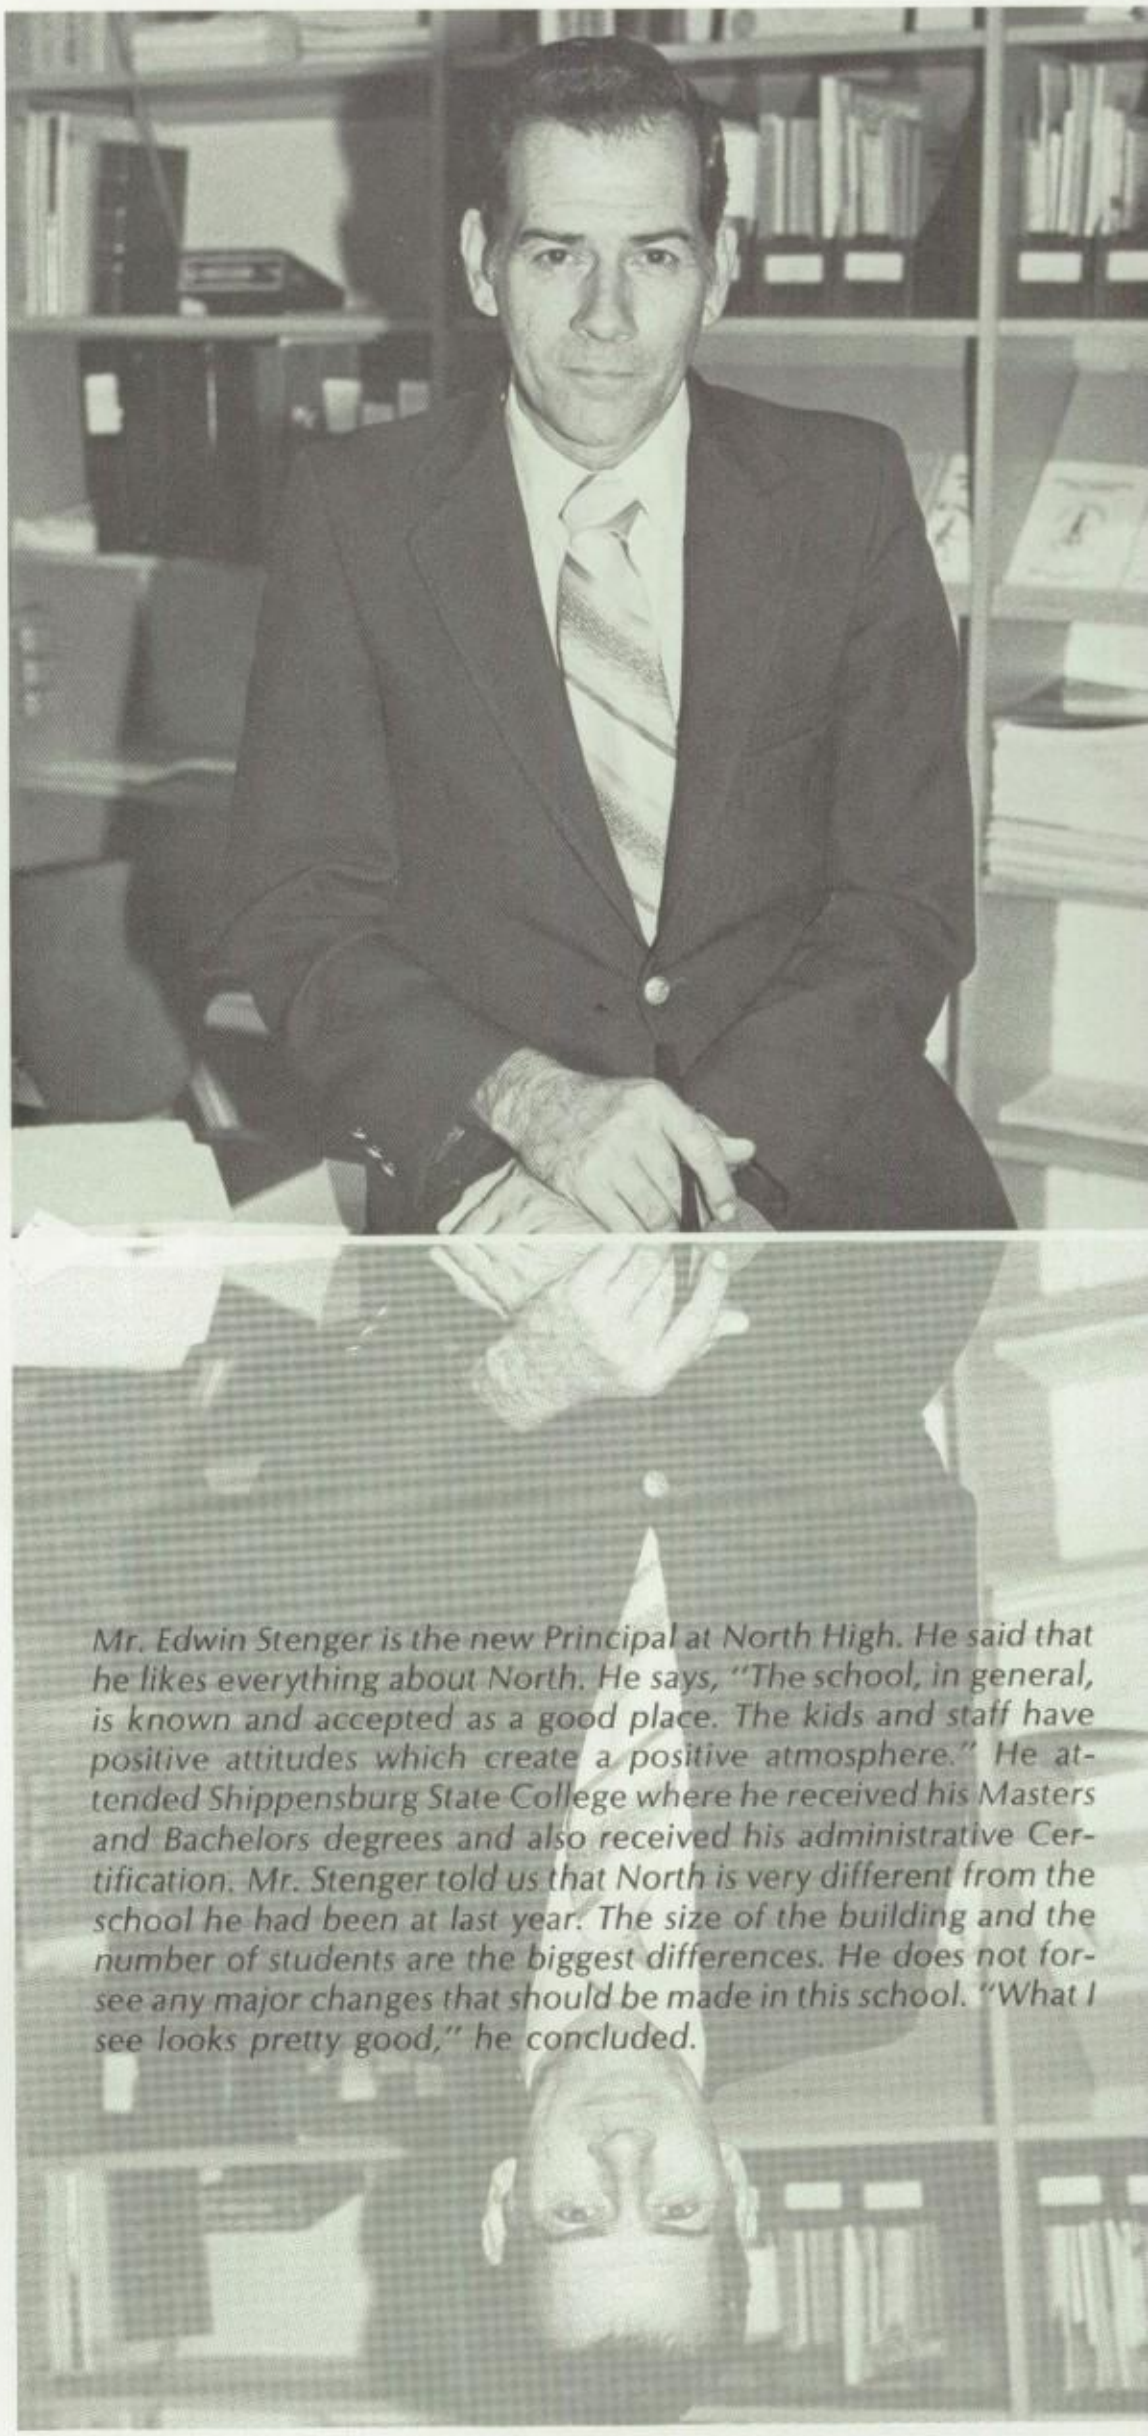
ADMINISTRATORS

North High



When asked what his favorite things about North High were Mr. Ed Koogle replied, "I like the students, faculty, staff members, and parents who work to improve North High." Mr. Koogle attended Pennsylvania State University. He also went to various other colleges to work towards higher degrees. He is Vice Principal in charge of Curriculum.



Mr. Edwin Stenger is the new Principal at North High. He said that he likes everything about North. He says, "The school, in general, is known and accepted as a good place. The kids and staff have positive attitudes which create a positive atmosphere." He attended Shippensburg State College where he received his Masters and Bachelors degrees and also received his administrative Certification. Mr. Stenger told us that North is very different from the school he had been at last year. The size of the building and the number of students are the biggest differences. He does not foresee any major changes that should be made in this school. "What I see looks pretty good," he concluded.

OMNIPOTENCE TO THE CLASS OF '81

Because we may be new to you...

MEET TRI FAB INC

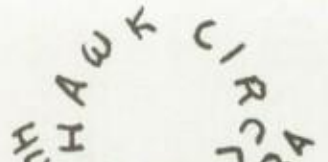
We are sheet metal fabricators, equipped to do any such jobs you need done—Whatever they are and wherever they may be.

Our skill can best serve you in capacities from 20 ga. steel to 3/8" thick steel plate. From a simple custom fabrication to a complex dust collector duct system.

You will find, when you "Come to TRI FAB INC." "the size" of your job has, absolutely no influence on the "importance" of your job to us. We even have capabilities for designing, laying out, and fabrication of dust collecting systems for your air polution problems.

This gives you a thumb nail sketch of our service. Won't you give us the opportunity of working with you, when the need arises? Perhaps we could help you in many ways.

PATRONAGES



Best of luck to the Class of '81! And to your dreams. A special thanks to my teachers. "Do you realize at this time next year we'll all be gone from this place?" Have a happy and successful life. I hope you reach all of your goals. Love and happiness to all, write at North Hills. Susan (SW2)

I'll miss you all my friends over the four years. Special wishes of success to my very best friends, Lynne Fisher and Melody Stigile.

Chino,
I'm really glad to get to know you. I'm finally glad we finally had to graduating. I'm really glad we had to graduating. I'm really glad we had to graduating. I'm really glad we

Chris,
It's been really nice knowing ya this year. Remember the crazy times we had in Mr. Kowalski's class, the best of luck in the future. Hope to see ya over the summer. Have a nice graduation.

Chino,

I'm glad to know you.
You really alright it
people knows you. I
would say keep in
touch but I work
with you so I suppose
I'll see you. Don't forget
Pedro. He's a great
bastard even though
you hand gets tired
as hell. But anyway
take care over there
and good luck in
every thing. Stay as
pinoy as you are. Haha
You knows I'm kidding.
(I think) Well just think
this is finally it. Bye.

Love ya,
Valerio
